

# ***MAGAZINE SALE!***

## ***AUGUST 20—SEPTEMBER 6TH***

Selling magazines each fall provides the PTA with nearly all of our annual operating budget. The money earned from this fundraiser helps to support Gradebook Wizard, our newsletter, books and equipment, teacher training, teacher appreciation, math programs, the Choices Program, Web Day, 8<sup>th</sup> grade activity day, 8<sup>th</sup> grade recognition, students planners and much more. Students have received their sales materials and we're hoping for 70% participation rate.

### **Some important points:**

- ◆ Other items besides magazines are also available through the magazine catalog
- ◆ There is only 1 turn in day Thursday, Sept. 6th before school in the cafeteria
- ◆ Prize letter explains the many prizes and drawings available to participants
- ◆ Sales are based on items sold, not number of people who order
- ◆ Prizes are given on the turn in day
- ◆ Extra materials are available in the office
- \* Donations in lieu of magazines are greatly appreciated.

### **Consider ordering online at [4schoolsonline.com](http://4schoolsonline.com). Benefits are:**

- ◆ Students can email customers, no need to go door to door
- ◆ Students don't have to deal with filling out forms and collecting money
- ◆ Customer orders are processed immediately avoiding lengthy delays
- ◆ Students bring print out to school for prize earnings

If every family renews just a few magazine subscriptions that they already receive, the impact on our school would be enormous. Please support our students in this effort.
