WEEK 3						
WEEK 4						

3 rotations of students per day/per computer - 612 students will be served by the same 108 computers

** This does not account for SPED, ELL, etc... and any other cases of students needing more time.

****IMPORTANT:** This schedule is used twice. Students who test first for the PBA must test first for the EOY. Otherwise, there will be no instruction for students between the PBA and EOY.
