Sandia High School	471	517	422	517	259	376
School On Wheels High School	22	44	38	44	22	45
Valley High School	435	332	238	435	218	211
Volcano Vista High School	620	656	466	656	328	612
West Mesa High School	556	449	291	556	278	64

Highligted schools are those that have been identified as NOT having enough devices to complete PARCC testing within the allowed time. Only desktop and laptop computers were included.
This is assuming that all laptops are hardwired, not wireless.

Schools with a 0 in the last column: We did not have their device inventory at the time this document was produced.

The Estimated Devices Needed is based on half of the students in the largest grade.
