

Give Through Golf...

The APS Education Foundation raises money and public awareness for a singular purpose -- to improve learning for the 90,000 students in Albuquerque Public Schools. We directly support students of all shapes, sizes and backgrounds throughout the district. Since 2010, we have injected more than \$250,000 into APS classrooms.

We do this with your help.

Through events such as the APS Superintendent's Cup golf tournament, we are able to raise money for our Horizon Campaign, which supports students on four major educational fronts:

- Literacy
- Fine Arts
- Middle and High School Activities and
- STEM (Science/Technology/Engineering/Math)

Send in your registration by July 1, and plan to spend an afternoon chasing the white ball on one of the nation's top courses. You'll be in good company, all while helping our kids.

For that, we say enjoy and thanks!

Brad Winter, Chief Operating Officer
