Express Scripts Prescription Drug Program

Express Scripts Prescription-Drug Program – By enrolling in one of the Albuquerque Public Schools medical plans, you are automatically covered under the prescription-drug program administered through Express Scripts. This program offers you the flexibility to purchase your medications either at a participating pharmacy or through Home Delivery/Mail Order.

Express Scripts and Medco are now one company – In the fall of 2012, Express Scripts and Medco came together as one company. The combined company is in the process of changing the name on all its communications to Express Scripts. Until the renaming process is complete, you'll sometimes see the Medco name in pharmacy communications and on the Web.

With Express Scripts, you'll have access to:

- **Convenient mail-order services through the Express Scripts Pharmacy.** You’ll be able to have up to a 90-day supply of long-term medication delivered directly to you for one mail-order co-payment. Long-term medications are those taken to treat an ongoing condition, such as high blood pressure, high cholesterol, or diabetes.

- **A Large network of participating retail pharmacies.** To find a participating pharmacy, visit Express Scripts’ website, [www.express-scripts.com](http://www.express-scripts.com), or call Member Services toll-free at 1-866-563-9297.

- **Helpful resources on [www.express-scripts.com](http://www.express-scripts.com),** including the ability to order mail-order refills, check order status, compare medication costs, request order forms and envelopes, and access useful health and benefit information.

- **Express Scripts member Services representatives are available 24 hours a day, 7 days a week** (except Thanksgiving and Christmas), to assist with questions about your benefit or orders.
