Student Accident & Sickness Insurance CLAIM FILING INSTRUCTIONS

FOR PARENTS/LEGAL GUARDIANS (or students of legal age)

Coverage terms and conditions

Prior to an injury or sickness occurring or as soon as possible thereafter, please familiarize yourself with the terms and conditions of coverage including: what activities are covered; benefits; exclusions; requirements and limitations; important deadlines, etc. Coverage summaries may be obtained from school/parish authorities, printed brochures used to secure coverage, online, or by contacting us directly at (800) 827-4695.

Claim form and reporting

Report school/parish related injuries immediately to school officials, providing as much detail as possible.

Request a Student Accident & Sickness Insurance claim form from the school/parish and ask an authorized school/parish official to **completely and clearly** fill out Part A of the form. If the reported injury is not school/parish-related, you may fill out Part A yourself. Only one claim form is required per injury or condition.

Completely and clearly fill out Part B (missing fields will cause delays) provide signatures where requested, date and return to our office along with your itemized bills and Explanations of Benefits (EOBs) from any other applicable insurance or health plan.

Finding a health provider

You are free to take your child to any properly licensed health provider but out-of-pocket costs may be reduced if you seek care from providers who are contracted under the *First Health Network* or *First Choice Health Network* (WA only). Contracted providers may be found at www.myfirsthealth.com (800) 226-5116 or (in the State of Washington only) www.fchn.com (800) 231-6935. If your child also has coverage through an HMO, please know that benefits under many of our school/parish-paid blanket plans may be reduced if you seek out-of-network services that are not preauthorized by your HMO. This potential benefit limitation does not apply to any of our individually purchased plans and does not apply to emergency care.

When treatment is sought

- Give the provider's billing/admissions department your primary insurance/health plan information (if applicable).
- If you purchased one of our individual plans for your child, present your student insurance ID Card. If your child is covered under a blanket plan that is paid for by the school/parish, let the billing department know that and identify the district, Diocese or other school system involved and the specific school/parish. In either case, explain that your child has medical expense insurance that provides benefits on an excess or secondary basis and that it is NOT what is sometimes referred to as "third party" insurance. The <u>student</u> is the insured.
- Request the billing department to add Myers-Stevens & Toohey into their system as a payor and to either send us the itemized bills described above directly (preferred!) or to send you those same bills to be forwarded to us. Letting the provider know that you are assigning benefits to them may help smooth the process. If you have difficulty, please contact us and we'll be happy to help.

If your child has other insurance or health coverage

File a claim with that primary plan (except Medicaid) and send us copies of their "Explanation of Benefits" or "EOBs" once processed.

What we need from the providers who see your child*

In order to evaluate your claim and provide benefits, we will need fully itemized bills from any providers seen. These are known as HCFA 1500 or CMS 1500 forms from providers such as doctors and as a UB04 form from facilities such as hospitals and surgery centers. They contain the following required information:

- Date(s) of Service
- Billed Charges

Procedural or Revenue Codes - these tell us what was done to evaluate/treat the problem
Provider Tax ID Number - needed to issue W-9s when benefits are assigned to providers

Billed Charges

- National Provider Identifier (NPI) needed to comply with Federal regulations
- Diagnostic Codes these tell us what is wrong with your child

NOTE – we are not able to use "statements" from providers, primary health plan EOBs or a receipt of payment in lieu of the required itemized billings as described above.

*If you have Kaiser, request "courtesy statements" from Kaiser Member Services that include the information listed above. Please make sure the documentation submitted indicates what portion of the charges, if any, you are obligated to pay out of your own pocket.

Final Steps

Send: 1) Completed claim form; 2) Itemized bills; 3) Other insurance/health plan EOBs (when applicable) to:
