Primary Care Providers (PCPs) can arrange for interpreter services at no charge to you.

## ABOUT THIS DIRECTORY

The following pages list the doctors and other health care providers in the Bernalillo, Sandoval, Torrance and Valencia County area who participate in the Lovelace Health Plan network. This information changes on a frequent basis. Please refer to the online directory or call customer care below for current updates. You can use this directory to locate Participating PCPs, Specialists, hospitals and other health care providers.

The Provider Directory is updated often at [lovelacehealthplan.com](http://lovelacehealthplan.com)

Participation by providers in this directory is not guaranteed and may be subject to change.

Please ask your provider whether he/she is still participating in the network  
or call Customer Care at (505) 727.LOVE (727.5683) in Albuquerque  
or (800) 808.7363 statewide or TTY (800) 659.8331 (Relay NM)

## WHO WE ARE

Lovelace Health Plan offers health benefit plans to employer groups with two or more employees.

## WHAT YOU CAN EXPECT

- **Convenient access to quality health care.** Before joining the Lovelace Health Plan network of contracted providers, doctors and other health professionals must meet Lovelace Insurance Company standards through a process called credentialing. We regularly review providers' credentials to help ensure they continue to meet these standards.
- **Medical coverage.** Your plan includes coverage for diagnosis and treatment of illness and injury, and a regular program of preventive care to help keep you well.
- **Responsive customer service.** Whether by phone when you talk to a Customer Care representative or on our website, [lovelacehealthplan.com](http://lovelacehealthplan.com), you have easy access to consistent, accurate, and timely information about your plan – when it's convenient for you.
- **Participating providers** are not required to comply with any specified numbers, targeted averages, or maximum durations of patient visits.

## YOUR ID CARD

- You'll receive your Lovelace Health Plan ID card after you've enrolled. The card gives your name and Lovelace Health Plan ID number and other details about your plan.
- Keep your ID card with you at all times. Show it whenever you visit a health care provider.

## WORKING WITH YOUR DOCTOR

While this plan does not require you to select a Primary Care Provider (PCP), we encourage you to develop a relationship with one as it can help you better manage your health.

- The PCP serves as a "home base" for basic care – a source for advice and direction.
- From preventive checkups and routine medical care to coordination of specialized care and hospitalizations, a PCP's involvement can mean earlier interventions and more effective outcomes.
- Referral free access to OB/GYNs – As part of your plan, you can visit a participating OB/GYN at any time, without a referral.
- Prior Authorization may be required for certain services. Please refer to your Summary Plan Description (SPD) booklet or your Evidence of Coverage (EOC) booklet for information.
- You can change your PCP at any time, for any reason.
- Behavioral or Mental Health services are also available to you without a referral.

## EMERGENCY CARE

An emergency is a sudden unexpected injury or a serious illness that a prudent layperson (a person with average knowledge of medical science) believes needs to be treated right away, or it could result in loss of life, serious medical complications or permanent impairment.

- You and participating family members are covered for emergencies 24 hours a day, seven days a week – at home, or away on a trip.
- In an emergency, always seek medical care immediately. Go directly to the nearest emergency facility (even one that is not part of the Lovelace Health Plan network), or call 911 or your area's local emergency services number.
- You do not need a referral from your PCP or any Prior Authorization before receiving emergency care.
- Notify the Customer Care Center if you have been treated for an emergency, and call us (or have someone call for you) for further assistance and directions on follow up care. When possible, you should call within 48 hours.

**You're covered for emergencies 24 hours a day, at home or away.**

### EXAMPLES OF EMERGENCIES

- Shortness of breath
- Severe pain
- Broken bones
- Chest pain or squeezing sensation in the chest
- Sudden paralysis or slurred speech
- Seizure or loss of consciousness
- Uncontrolled bleeding
- Poisoning or suspected overdose of medication

## **URGENT OR NONAPPOINTMENT CARE**

Some situations require prompt medical attention although they are not emergencies. In these situations, call your Primary Care Provider and describe the situation. He or she will direct you to the most appropriate type of care.

## **FACILITATION**

**At Lovelace Health Plan, our goal is to help make sure that you have access to the appropriate care, in the appropriate setting. We have established a wide network of providers and we continuously contract with new providers to help make sure that you have access to care from credentialed providers. Your PCP or personal physician can assist you in coordinating the care you need. He or she can help determine if you need specialty care or hospitalization.**

## **WHAT IS CASE MANAGEMENT?**

Case Management is for members with complex health care needs

Lovelace Health Plan provides Case Management services to members with multiple or complex health care needs. Case Managers coordinate care between physical health and behavioral health, as well as assist members with community services, social services or medical equipment needs in the home.

Case Management may be of assistance if you have one of the following needs/conditions:

- Cancer
- Neuromuscular diseases such as MS
- Multiple medical conditions
- Conditions requiring complex home equipment or medications
- Paraplegia and quadriplegia
- Organ transplant
- Conditions requiring coordination of Out of Network referrals and treatment services not available In Network
- Conditions requiring community resources and social services
- Those with complicated hospital discharges that could benefit from follow up once they are home
- Members in remote areas who are unable to identify resources or providers for their medical care
- Infants who had complicated deliveries or birth defects
- Expectant mothers in need of support/coordination of services
- Members who might need additional support in order to prevent a hospital admission
- Hospice
- Assistance with long term placement

## **WHO CAN MAKE REFERRALS TO CASE MANAGEMENT?**

Referrals for Case Management services come from multiple sources. However, Case Management will take place only with the consent of the member or the member's legally authorized representative. Common sources of referral are:

- Members may self refer
- Member's family
- Physicians or other provider
- Hospital Case Managers
- Community Case Managers
- Other – anyone who identifies a potential need may refer a member to Case Management

## **HOW TO ACCESS CASE MANAGEMENT SERVICES**

Please call the numbers listed below to make a referral or to discuss a case and determine if someone will benefit from case management. When calling to make a referral, please provide the following information:

- Contact number for person making the referral
- Member/caregiver's current contact information
- Services you would like coordinated by Case Management

505.727.5168 or 800.808.7363

# HOW TO READ THE PHYSICIAN LISTING
