I wish to enroll my student in Supplemental Educational Services. By doing so, I understand that I will be an important part of the goal setting process for my student. I will allow my student's school to release relevant educational information regarding my student to the selected SES provider and appropriate parties for educational research and study. I understand that my name and telephone number may released to the New Mexico Public Education Department (PED) for the purpose of surveys and analysis to improve educational services and that PED may contact me about the quality of services my child receives.
