

Decision Procedure Options

Procedure	Description	Alternative	# of concepts
Ranking	<p>Each member ranks each concept from most to least preferable.</p> <p>Rankings are assigned a number of points based on the number of concepts. (e.g., 6 concepts – most preferable gets a score of 6)</p>	Each member ranks top three concepts (first, second, third)	<p>Add up total number of points for each concept.</p> <p>Number of plans recommended to the board depends on the distribution of points</p>
Rating	<p>Every concept rated on the following 5-point scale:</p> <p>4 – Strongly recommend 3 – Recommend 2 – Neutral/mixed feelings 1 – Do not recommend 0 – Strongly do not recommend</p>		<p>Add up total number of points for each concept.</p> <p>Number of plans recommended to the board depends on the distribution of points</p>
Up/Down Vote	Members vote yes or no on each concept separately		Can send all concepts that get a majority of yes votes or all concepts that get at least one yes vote.
