

JL - Student and Staff Wellness and Welfare

Albuquerque Public Schools shall maintain a coordinated school health and wellness program to maintain healthy students and employees. This program shall promote the Coordinated School Health Model, which includes the following eight components:

- Nutrition
- Physical Education and Activity
- Family, School and Community Partnership
- Health Education and Life Skills
- Healthy and Safe Environment
- Social and Emotional Well-Being
- Health Services
- Staff Wellness

The superintendent will create procedural directives to outline the implementation of possession, storage, and administration of medications and non-FDA approved drugs when legally permissible.

Administrative Position: Assistant Superintendent of School and Community Support Associate Superintendent of Equity, Instruction, Innovation and Support

Department Director: Director of Health and Wellness Executive Director of Student, Family and Community Supports
