INITIAL SAT MEETING PARENT LETTER AND PARENT SURVEY

Date: _____

Dear Parents of _____,

I would like to invite you to a meeting on _____ at _____. The purpose of this meeting is to share information about your child _____, and to discuss how we can collaboratively provide support. If this time is not convenient for you, we will work with you to find a time that is better for you.

The school has a Student Assistance Team (SAT) whose purpose is to review the educational needs and progress of any student who may require additional educational support. Staff members who work with your child will be at this meeting. The team will review existing data and determine if additional support is necessary. If there is anyone you would specifically like to attend from school or elsewhere, please let us know.

We need your input and participation in working with us to meet your child's needs. Attached to this letter is a Parent Survey form. We ask that you complete it and return it to school before the scheduled meeting. If you have questions or concerns, please do not hesitate to call me.

Sincerely,
