<b>Current Standing</b> How did students perform in the most recent school year? Students are tested on how well they met targets for their grade level (Proficient).		F	12.1	40
<b>School Growth</b> In the past 3 years did schools increase grade level performance? For example did this year's 3rd graders improve over last year's 3rd graders.		F	0.5	10
<b>Growth of Highest Performing Students</b> How well did the school help individual students improve? The highest performing students are those whose scores place them in the top three quarters of their school. Individual student growth over the past 3 years is compared to average individual growth for the state.		F	0.2	20
<b>Growth of Lowest Performing Students</b> How well did the school help individual students improve? The lowest performing students are those whose scores place them in the bottom quarter of their school. Individual student growth over the past 3 years is compared to average individual growth for the state.		B	17.2	20
<b>Opportunity to Learn</b> Does the school foster an environment that facilitates learning? Attendance is the primary indicator in 2011, but will be joined by a classroom survey in 2012.		A	10.3	10
<b>Bonus Points</b> Does the school encourage students and parents to be involved? Examples are sports, fine arts, and leadership for students, and mentoring and tutoring for parents.	(Available in 2012)			5

• The state standard goal for attendance (95%) and for graduation (85%) can be surpassed by some schools. This results in schools earning additional points above the maximum possible points.
