

**Before even considering this option Please refer to page 90 on the PARCC Accessibility and Accommodations Manual to assure your student qualifies for this accommodation. It must be on both IEP and SR/PNP.**

**Co:writer can be used as the separate device while taking PARCC. Please do not turn this on until the day before testing. Once testing is done, please turn PARCC mode off.**

### How to set a students account for Co:writer into PARCC acceptable mode

1. Log in to to [educatordashboard.com](http://educatordashboard.com) - with your teacher log on

Create Account

WHAT WOULD YOU LIKE TO DO		
<b>ASSESS</b> reading / writing	<b>ACCOMMODATE</b> assistive technology	<b>MONITOR</b> student progress

2. Click on Accommodate

3. Once on this Screen Click on Co:writer Universal

4. You will then see this screen. Click on guitar pick that says "Manage"

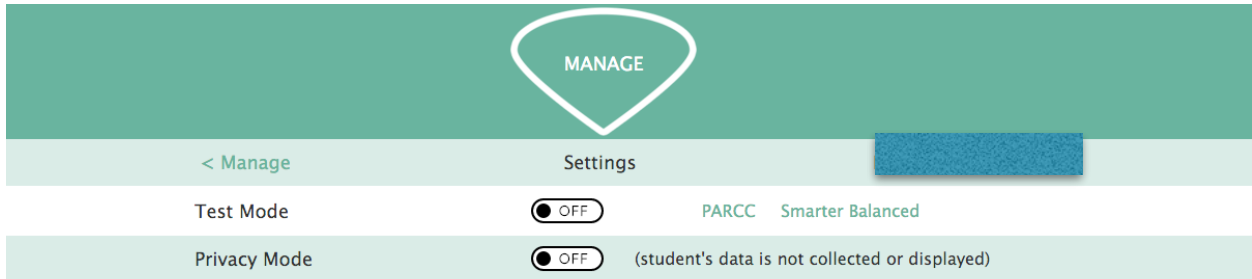

5. Search for the students name who's account needs to be placed into PARCC Mode

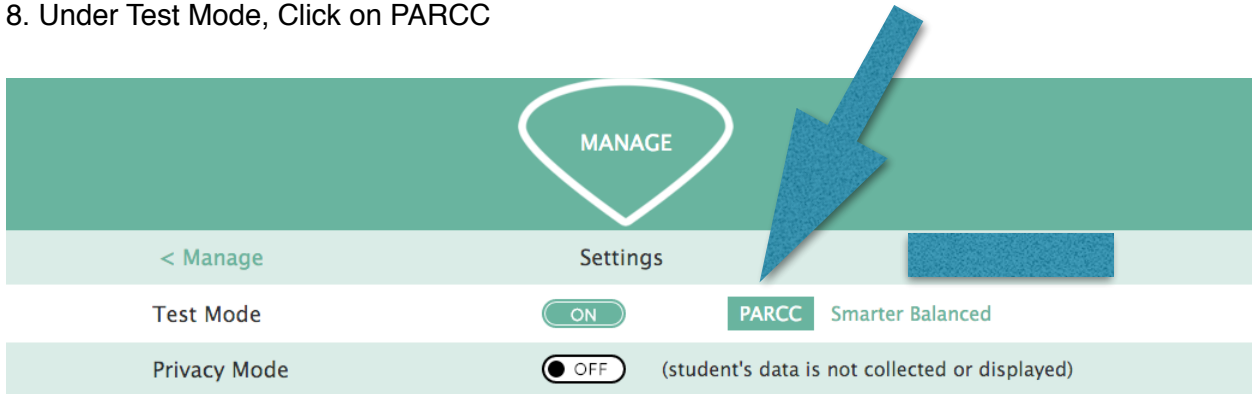

6. Once you have found student, Click on the words

7. Once in Settings- you should see this screen

8. Under Test Mode, Click on PARCC

9. Now Co:writer can be used as the separate device while taking PARCC. Please do not turn this on until the day before testing. Once testing is done, please turn PARCC mode off.

To turn off Co:writer in PARCC Mode please follow the steps in reverse.

Here is what it could look like:  
Two devices, a student and a scribe
