

PARCC – MONTHLY CHECKLIST

Technology, Logistics, and Instruction

JANUARY

Things You Should Do At Your School:

- Identify computers that will be used for PARCC testing and install TestNav 8.5
- Finalize your schools' schedule for PARCC testing and email to muna@aps.edu by February 5, 2016.
- Prepare to participate in the state wide "Day at the PARCC" **optional** mock testing event that is being coordinated by the PED and the APS Technology Department. The date is tentatively set for February 10 unless we hear otherwise.
- Test Coordinators and Head Special Ed Teacher:
 - o Watch the 30 minute video - *PARCC Accessibility and Accommodations: The Power of Universal Design Tool* on the Special Education site - <http://www.intranet.aps.edu/SpecialEd/resources.html>
 - o Check your student's IEP to see what accommodations have been given to them.
 - o If you have a student who has Word Prediction on their IEP, please contact the UDL Team (udl.team@aps.edu) to make sure it is set up correctly.
 - o If you have accommodations you are not sure of, please contact the UDL Team.
- You should have already reviewed your students IEP's and have a comprehensive list of individual student accommodations.
 - o In February, the district will be loading current students to the Pearson Access Next (PAN) site. This should include accommodations that were set up for the students last year in PAN.
 - Testing will notify you that the students have been uploaded to PAN.
 - You will need to verify all of your students have the correct accommodations and add any new accommodations.
 - o Apply ELL accommodations only for students who are identified as ELL.
