THINGS TO CONSIDER WHEN VOTING ON THIS SCHEDULE:

Number of devices for testing: 3 tests per day/per student with a mid-morning & snack break.

*This does not account for time for extra time needed for set up and turning in of materials

** This does not account for SPED, ELL, etc.... and any other cases of students needing more time.

*** Non- tested students will follow the regularHS bell schedule during testing weeks. Only tested students will adhere to the times listed on this schedule by reporting to the lab they are assigned to with their testing cohort.
