GENERAL INFORMATION

MEDIA EXPECTATIONS

APS ATHLETICS Great for Kids!

1. NMAA Website. The district's expectation is that the school/program provides roster and results information to the NMAA (MaxPreps) website through the individual program. It is also expected that every school athletic director and coach open an MaxPreps account and continually keep the account updated. Access via www.nmact.org

2. Electronic Media. Whenever a TV reporter comes to an event, they will leave a business card with the facility supervisor/scorekeeper. Please call in the results promptly after the contest for their next sportscast.

3. Print Media. As noted below for contest results (cut and paste in scorebook). Sports editors have continued to assure our department that all results taken will be printed unless informed otherwise.

For direct contact regarding feature articles, upcoming events (e.g. tournaments), and follow-ups on score reporting contact the appropriate prep editor:
