Middle school athletic programs supported by the APS Athletic Department are scheduled to order new uniforms every four years; refer to order rotation schedule. Uniforms are selected and purchased by the APS Athletic Department. Schools are afforded the opportunity to select uniform sizes, colors and screen printing information in accordance with guidelines outlined on uniform order forms. Uniform order forms and ordering deadlines are provided by the APS Athletic Department; order forms are collected the year prior to the first year of scheduled use. Volleyball and basketball uniforms are intended for four years of use at the A-Team level followed by four years of use at the B-Team level.
