Bracket Information The tournament will be played as four 4-team brackets without elimination. Brackets will be seeded based on the results of group play. Brackets will be posted and updated on the APS Athletic Department website.

ALBUQUERQUE METRO CHAMPIONSHIPS

GENERAL INFORMATION 2022-2023

Event Information

All tournament games will be posted on the APS Athletic Department website with the home team listed first. Home teams are determined by the APS Athletic Department; for bracket play, the team listed on the top of the bracket is the home team.

The home team will keep the official scorebook, wear dark jerseys/socks, provide game balls and will occupy the home team bench.

Placement in brackets will be determined by group play results. The following tiebreaking procedures will be applied:

1. Head to head competition
2. Goal differential among tied teams (maximum of five goals per game)
3. Goal differential among entire group
4. Fewest goals allowed in all group games
5. Most goals scored in all group games (maximum of five goals per game)
6. Coin toss

Any time throughout tiebreaking procedures, when a multiple (3 or more) team tie is reduced to two teams, head-to-head competition will be used to determine higher placement.

Ties in bracket play games will be resolved by shootout for the purposes of advancement in the bracket.

The event director will coordinate host site responsibilities with appropriate event personnel.

Results

Immediately following each game, game results will be confirmed with the center referee.

Awards

The championship trophy will be presented at the conclusion of each championship game.
