Placement in brackets will be determined by group play results. The following tie breaking procedures will be applied:

1. Head to head competition
2. Goal differential among tied teams (maximum of five goals per game)
3. Goal differential among entire group
4. Fewest goals allowed in all group games
5. Most goals scored in all group games (maximum of five goals per game)
6. Coin toss

Any time throughout tie breaking procedures, when a multiple (3 or more) team tie is reduced to two teams, head-to-head competition will be used to determine higher placement.
