

La Cueva High School Fact Sheet

Address: 7801 Wilshire Avenue NE, Albuquerque, NM 87122

Location Number: 525

Year Opened: 1986

Grade Levels: 9-12

Project Description: Construction of a new Intensive Support Programs (ISP) addition that consolidates special needs classrooms and support spaces at La Cueva HS, accommodating the needs of students, teachers, and staff in appropriately sized/equipped spaces. This project also includes Physical Education (PE) addition and upgrades which provide safe, equitable spaces for PE programs and meet Title IX requirements of equal access to facilities.

Project Scope:

- Construction of a Special Needs Intensive Support Space (ISP) Wing Space consisting of: **26,407 Sq. Ft.**
 - o 9 Specialized ISP Classrooms
 - o 1 Sensory Classroom
 - o 1 OT/PT Classroom
 - o 1 Life Skills Classroom
 - o Sheltered enclosed outdoor learning area
 - o Restrooms
 - o Offices for ISP ancillary support staff
- Athletic Area Interior Renovation consisting of: **5,809 Sq. Ft.**
 - o New Appropriately sized weight room
 - o Renovated existing weight room into Multi-purpose PE space
 - o Upgrades in both boys' and girls' locker room areas
 - o Create 4 separate shower rooms from two
 - o 40 New Lockers in both boys' and girls' locker rooms
