

George I. Sánchez Collaborative Community School Fact Sheet

Address: 4050 118th Street SW, Albuquerque, NM 87121

Location Number: 496

Year Opened: 2015

Grade Levels: K-8

Project Description (New K-8 School serving 1,600 students): George I. Sánchez Community School was built to alleviate elementary and middle school overcrowding in the southwest quadrant of the District. Intended to be a prototypical design that seeks to move beyond the traditional isolated classroom toward small collaborative learning environments, mentorship, and community between grade levels, the Kindergarten through 8th grade facility shares a gym, kitchen/cafeteria, and multimedia center.

Project Scope: 213,481 new square footage project total

- 64 classrooms
- Shared gym
- Shared kitchen/cafeteria
- Shared multi-media center
- Specialized spaces as required by the different grade levels
- Silver LEED Certification

Project Status: Complete

Project Budget: \$51,086,142

Completion Date: July 2016

Architect: Jon Anderson Architecture

General Contractor: Bradbury Stamm
