Project Description (New High School Classroom Building co-located on CNM Campus): This project is the design and construction of a new building on the CNM campus for two APS Schools: College and Career High School (CCHS) and Native American Community Academy Charter School (NACA). Students in the two schools receive dual credit for both their high school and college level curricula. This is a joint project with CNM who will also partner in funding college classroom space in the building.

Project Scope (APS Component): 79,737 Gross Square Feet (GSF) new construction

- o 26 general instructional classrooms
- o 7 sign-up classroom/labs (science and computer labs)
- o Administrative suite
- o Multipurpose space
- o Physical Education/fitness center
- o Health clinic/nurse office

Project Status: Complete

Project Budget: \$16,448,588

Completion Date: July 2019

Architect: Jon Anderson Architecture

General Contractor: Bradbury Stamm
