

2021 Priorities				
	Initiative	Includes	Legislative Language (Description)	Justification
1	Water Access Upgrades	upgrade public drinking fountains to touchless, water bottle fillable; lead pipe remediation	To plan, design, purchase, construct, and install refillable water stations and improvements to drinking water systems, pipes, infrastructure, or related equipment at <<SchoolName>> in the Albuquerque Public School district in Bernalillo County.	Touchless, refillable water stations encourage hydration and reduced use of plastic bottles while providing for personal sanitation. Schools also still engaged in water upgrades for outdated infrastructure.
2	Outdoor classroom and/or community garden	outdoor classrooms. Include community gardens	To plan, design, construct, equip, purchase and furnish infrastructure, buildings and landscaping related to an outdoor classroom, or equipment needed for community gardens at <<SchoolName>> in the Albuquerque Public School district in Bernalillo County.	Outdoor teaching and learning environments and community gardens aligned with district plans and departments
3	Shade Structures and outdoor benches		To plan, design, construct, purchase, equip and furnish outdoor benches and shade structures at <<SchoolName>> in the Albuquerque Public School district in Bernalillo County	Shade structures offer protection from sun and elements in our climate. Shade structures and benches expand outdoor use for teaching and learning.
4	Furniture	includes things like secured cubby space, identify by teachers for safe, organized classrooms	To acquire, plan, design, build, purchase, equip, furnish, or install fixtures, furniture, window coverings, or related equipment for classrooms at <<SchoolName>> in the Albuquerque Public School district in Bernalillo County.	To meet the needs of 21st century schools and create social emotional and shared spaces, schools often need to redesign spaces and update furnishings and. equipment.
5	Playground updates		To plan, design, construct and renovate the grounds and playgrounds, including the purchase and installation of related equipment, fencing, shade structures, turf, bleachers, drainage improvements and landscaping, at <<SchoolName>> in the Albuquerque Public School district in Bernalillo County	The new playground equipment will replace old equipment that no longer meets national safety standards and ADA requirements. This request also includes replacing the current sand play surface with the safer, more impact absorbing surface of engineered wood fiber. Playgrounds require continual update and maintenance to keep children safe.
6	Air Purification systems and ceiling fans		To acquire, plan, design, purchase or install ceiling fans or air purification systems in <<SchoolName>> in the Albuquerque Public School district in Bernalillo County	Ceiling fans and air purification systems will improve air quality of classrooms and schools
7	Reauthorized projects	with approval	with approval	Projects identified by Legislative Projects as needing reauthorization
