# Who is your favorite teacher?

Whether it was your first grade music instructor, school counselor, high school track coach or history professor, most of us can recall one special teacher who made a difference in our lives.

Through the Chalk Walk, you can now thank them in a meaningful way that has lasting, positive impact. Sponsored by PDK International, a not-for-profit organization that supports education through research, service, and leadership, as well as the Manzano, Valley and Eldorado High School Future Educators Association®, which encourages students to explore careers in education, the Chalk Walk is a chance to honor those amazing individuals who have made a difference in Albuquerque.

The Chalk Walk is the only national walk-a-thon for education that directly supports our educators. The walk serves to support great teachers of the past and present, while raising money to help cultivate great teachers for the future.
