

A DIGITAL TOOL KIT FOR TEACHERS & ADMINISTRATORS

As we rapidly develop new skills in response to the current health crisis and the need for remote teaching and learning, there are a wealth of training resources available to us to address both simple “how-to’s” as well as more complex endeavors. This document is designed to be a simple index to those resources. (These are

technical and professional learning resources rather than curricular or content resources.)

Table of Contents

APS Information	Page 2
Curriculum and Instruction	Page 3
EdTech	Page 5
Language and Cultural Equity (LCE)	Page 7
Office of Accountability and Reporting (OAR)	Page 8
Special Education	Page 9
Technology	Page 10

[Click here to enter questions that you still have](#)

This is a living document that will be updated periodically as conditions and needs change. Please continue to reach out to the referenced departments and the Teacher Learning Network for support with specific issue.
