When submitting your nomination, please note:

- Selfless Seniors are high school seniors who have selflessly given back to their communities, usually without recognition or praise. These young adults have already made a difference in their schools and neighborhoods and inspire their peers and all of us to the same.
- Immediate family members of the APS Education Foundation Board of Directors, APS Education Foundation Board Members or immediate family members of APS Education Foundation Staff members are not eligible.
- Nominations and letters of recommendation submitted from family members will not be considered.
- We encourage diverse and multiple nominations, please refrain from submitting identical nominations for the same student. Keep in mind the little details that set your nomination apart and allow the selection committee to truly understand your nomination's personality and drive to give back to their community.
