

# **APS Title I Donna Beegle Poverty Awareness Training Full Day Session for School Teams**

**School teams of 8-12 members  
attend a free, one-day training  
presented by APS Title I team members**

\*\*\*This training is designed for school teams  
that have not yet attended  
a full-day Poverty Awareness Training.\*\*\*

**The session will help school staff:**

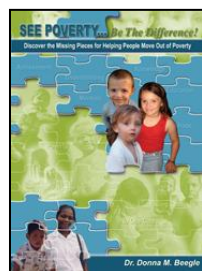

- ✓ **develop an awareness of poverty, its issues and challenges**
- ✓ **study the long term effects poverty has on students**
- ✓ **learn strategies to build and strengthen relationships to improve academic achievement and positive outcomes**
- ✓ **create an action plan specifically designed for your school community**

## **Who should be part of our school Poverty Awareness Team?**

**We require a minimum of one administrator and recommend that front office staff, nurses, counselors, teachers and educational assistants attend as well.**

- Title I provides attendees with a working lunch during the session
- Title I pays for substitutes for sessions during the school year
- Follow-up session/coaching is available to your school site
- Title I pays stipends for coaching sessions outside of the duty day
