FOOTNOTES:

[1] The deductible must be met before benefit payments are made for services with coinsurance. Deductible amounts do cross-apply between the NBP and PPO Provider levels; the Non PPO Provider does not.
[2] After a member reaches the applicable out-of-pocket limit, BCBSNM pays 100 percent of most of that member's covered NBP, PPO or Non PPO Provider charges, whichever is applicable. Out-of-pocket amounts do cross-apply between the NBP and PPO Provider levels; the Non PPO Provider does not.
[3] Initial treatment of a medical emergency is paid at the (NBP) Provider level. Follow-up treatment and treatment that is not for an emergency is paid based on the place of service (NBP, PPO or Non PPO Provider).
[4] Certain services are not covered if preauthorization is not obtained from BCBSNM. See a Member's Benefit Booklet for a list of services requiring preauthorization.
[5] Preauthorization is required for inpatient admissions. See a Member's Benefit Booklet for details.
[6] Rental benefits for medical equipment and other items will not exceed the purchase price of a new unit.

IMPORTANT: Deductible amounts and coinsurance percentages are applied to BCBSNM's covered charges, which may be less than the provider's billed charges. Blue Preferred Plus NBP and PPO providers will not charge you the difference between the covered charge and the billed charge for covered services; Non PPO providers may.

Note: The APS medical plan is a self-funded plan. BCBSNM provides administrative claims payment only and does not assume any financial risk or obligation with respect to claims, except as may be specified in the Administrative Services Agreement.

This is a summary only – please refer to the Summary of Benefits and Coverage (SBC) document and Benefit Booklet for more details.
