

Career Ladder Accepted Professional Development For EA's

Below is a list of Professional Development classes that are eligible for the Career Ladder Program. Please remember when submitting your Career Ladder form (no later than Sept 15th of each school year) to include all certificates from completed courses. If you took Professional Development training during a mandatory staff meeting at your worksite, please ensure to include the agenda for that training **and** the signature of person providing the training, otherwise credit will not be given. Regular staff meetings do not count.
