## **AGREEMENT**

This Agreement, made and entered into this 1st day of July 2015 between the Albuquerque Municipal School District Number 12, County of Bernalillo, State of New Mexico (hereinafter referred to as the District), and the Communications Workers of America (hereinafter referred to as the Union).

### **WITNESS TO:**

The parties hereto mutually agree as follows:

#### **Article 1. Recognition**

1. The District hereby recognizes the Union as the sole and exclusive bargaining agent with respect to wages, hours and other conditions of employment for all regular food service full-time and part-time District employees such as Cooks/Baker (Class IV) and General Helper (Class I), excluding Cafeteria Managers, Supervisors, and clerical employees.

#### **Article 2. Collective Bargaining Procedure**

1. Collective bargaining shall be conducted by authorized Bargaining Representatives of the District and the Union. The parties shall notify each other initially, in writing, of the names of their authorized Bargaining Representatives and thereafter of any changes which may occur. All such written communications from the Union shall be signed by the Vice President of the Union or designee.

2. The District and the Union shall be represented in collective bargaining meetings by not more than five (5) persons.

3. Collective bargaining meetings shall be held at times and places mutually convenient at the request of either party. The party requesting the meeting shall inform the other reasonably in advance of the subjects to be discussed. Negotiations shall be conducted in closed sessions.

4. It is the intention of the parties, with respect to the collective bargaining of

future replacing agreements, to conduct their negotiations thereon in such a manner as to reach a new Agreement on or before the termination date of this present Agreement.

### **Article 3. Non-Discrimination**

1. The District and the Union agree that each will not interfere with the rights of employees to join, or refrain from joining, the Union and agree that each will not in any manner, because of an employee's membership or non-membership therein, directly or indirectly discriminate against, interfere with, coerce, restrain, demote, transfer or discipline any employee because of such employee's status as a Union Member, Representative or Officer of the Local Union. Any grievance alleging a violation of this provision will be submitted directly to Step Three of the Grievance Procedure, Article 5.

2. Both the District and the Union agree that they shall not discriminate against any employee because of action taken by either party in processing grievances under the provisions of this Agreement.

3. In a desire to restate their respective policies, neither the District nor the Union shall unlawfully discriminate against any employee because of such employee's race, color, religion, sex, age, national origin, disability, or sexual preference.

4. The use of masculine and feminine gender or titles in this Agreement shall be construed as including both genders and not as sex limitations.

### **Article 4. Responsible District-Union Relationship**

1. The District and the Union recognize that it is in the best interest of both parties, the employees, and the public that all relationships between them be characterized by mutual responsibility and respect. To insure that this relationship continues and improves, the District and the Union and their respective representatives at all levels will apply the terms of this Agreement fairly in accord with its intent and meaning and consistent with the Union's status as exclusive Bargaining Representative of all employees in the unit.

2. Each party shall bring to the attention of the employees in the unit,

including new hires, their purpose to conduct themselves in a spirit of responsibility and respect and the measures they have agreed upon to insure adherence to this purpose.

3. The Local Union will be permitted to insert in new hire orientation packets informational materials for the purpose of notifying the new hire of their rights under the provisions of the negotiated agreement as well as to permit the employee the opportunity to become a member of the Union.

## **Article 5. Grievance Procedure**

1. The purpose of this procedure is to secure at the lowest possible level equitable solutions to complaints arising with respect to wages, hours of work, or other conditions of employment. Conditions of employment not specifically expressed in this Agreement shall not be subject to Article 6, Arbitration.

2. Failure to submit a grievance within ten (10) working days following the discovery of the act or condition complained will constitute a forfeiture of the right to file. Any decision rendered in a grievance, filed within the time limits prescribed herein, shall be limited to the party (ies) on whose behalf the grievance was filed, unless otherwise agreed to by the parties. Should the District fail to respond to a grievance within the time limits expressed herein, the Local Union may proceed to the next level of the grievance procedure.

3. At the request of the Director, or designee, Local Union representative(s) will be excused from duty, with pay, to represent an employee during investigatory or performance interviews. After a Local Union Representative has referred a grievance to the District for adjustment, the District will not initiate discussion of the matter with the employee nor adjust the grievance pending settlement with the Local Union or Union, respectively.

3.1 When Local Union Representative requests to meet with Employees at the employee's worksite, in informal problem resolution, the Employer will not interfere with the employee or the Local Union representative in their discussions nor meet to dissuade with employees from meeting with the Local Union Representative

4. Any written reply to a grievance made at any level which is not appealed to the succeeding level within the time limits provided shall be considered

closed. By mutual agreement the parties may extend time limits expressed in this Article.

5. Nothing contained herein shall be considered as limiting the right of an employee to discuss or process his grievance as an individual. In such cases the Union shall be notified in writing by the District's Office of Labor Relations of any decision reached.

6. Any grievance initiated on behalf of the District shall be initiated by the Superintendent or his designee at Step Three.

7. When a grievance affects a group of employees, it may be submitted by the Local Union or Union at any level of the Grievance Procedure, subject to the approval of the District's Office of Labor Relations.

8. The District agrees to make available, upon written request of the aggrieved party (ies) and/or representative, all pertinent information not privileged, in its possession and control which is relevant to the issue raised by the grievance.

9. When an employee desires to have a grievance presented for settlement by the Local Union, such grievance shall be presented as outlined and settlement effected at any one of the steps indicated.

**9.1 Step One:** A grievance will be first filed in writing by the employee and/or the Local Union Representative(s) with the employee's immediate supervisor within ten (10) working days following the act or discovery of the condition which gave rise to the grievance. Then, within five (5) working days following receipt of the grievance, a meeting shall take place between the employee's immediate supervisor, the employee, and/or the Local Union Representative(s), not to exceed two (2) Representatives to discuss the grievance. Within ten (10) working days following said meeting, the immediate supervisor shall give the employee and the Local Union Representative(s) a written response to the grievance. If in the opinion of the Local Union a satisfactory settlement is not obtained, a Local Union Representative(s) may:

**9.2 Step Two:** Within ten (10) working days following receipt of the Step One response, appeal the grievance, in writing, to the Food Services Director. The Food Services Director shall meet with the Local Union Representative(s) within ten (10) working days from receipt of the appeal. Following the meeting, the Director shall answer the grievance in writing within ten (10) working days. If in the opinion of the Union a satisfactory settlement is not

obtained, the Union representative may:

**9.3 Step Three:** Within ten (10) working days following receipt of the Step Two response, appeal the grievance, in writing, to the Office of Labor Relations which shall answer the grievance, in writing, within ten (10) working days following the date upon which a meeting was held to discuss the grievances. If in the opinion of the Union, a satisfactory settlement is not obtained, the Union Representative may within thirty (30) calendar days following the date of the written response proceed to Arbitration, Article 6.

## **Article 6. Arbitration**

1. Any dispute arising between the parties with regard to the interpretation of any provision of this Agreement may be referred to Arbitration, in accordance with the procedure hereinafter set forth, provided:

1.1 The procedure for the settlement of the grievance, Article 5, Grievance Procedure, has been exhausted; and

1.2 Such dispute does not involve a provision of this Agreement which specifies that it is not subject to Arbitration; or

1.3 Such dispute does not involve a matter in which the District is without authority to act; or

1.4 Such dispute does not involve a case in which the determination of the matter is within the judgment or discretion of the District.

1.5 In the event the employee has less than three (3) years of service with the District, terminations are not subject to arbitration.

2. Arbitration shall be conducted by one (1) person (the Arbitrator) who will be selected as follows:

2.1 The parties may agree upon an Arbitrator.

2.2 Alternatively, the parties shall jointly request from the Federal Mediation and Conciliation Service (FMCS) a list of seven (7) names from which the Arbitrator will be selected. The parties will strive to mutually agree upon the Arbitrator.

2.3 If the parties fail to mutually agree upon the Arbitrator, each party will strike one name followed by the other party striking one name until a single name remains and that person shall become the Arbitrator. The grieving party is required to strike the first name.

3. The Arbitrator shall have no power to alter, amend, add to, or subtract from the terms of this Agreement.

4. The Arbitrator shall prepare and submit, in writing, to the District and Union a report and recommendation(s) within thirty (30) days after the conclusion of the hearing. The party to whom the recommendation(s) is directed must take official action on the recommendation(s) within fifteen (15) days upon receipt of the report from the Arbitrator.

5. The determination of the Arbitrator on matters set forth in this Agreement shall be final and binding.

6. The cost of services for the Arbitrator shall be shared equally by the District and the Union.

#### **Article 7. Access of Union Officials to District's Premises**

Accredited Union Officers and/or Representatives not employed by the District shall have reasonable access to the District's premises for the purpose of conferring with the District's Representatives and observing conditions relating to grievances, provided that prior arrangement and approval is made through the District's Office of Labor Relations.

#### **Article 8. Union Leaves**

2. Such leaves shall be for a specific period of time which was agreeable to the parties.

3. The District's obligation under this Article shall cease upon fifteen (15) days written notice to the Union should the terms of the Leave of Absence be violated by the member on such Leave of Absence.

4. The Union agrees that it shall not request that a Leave of Absence be granted for a period of time when such absence would seriously affect the operation of the District.

## **Article 9. Excused Absences for Local Union Duties**

1. The Union will furnish the District, in writing, the names, and respective authorities of Local Union Representative(s) who have been designated to perform duties of the Local Union.

The District agrees that it will grant such time off, provided that such absences do not seriously affect the operations of the District.

4. The District will grant the Communications Workers of America Union, Local 7070, up to 200 hours of release time per year for professional leave purposes, provided that overtime will not be incurred. Requests for such leave shall be made by the Local Union President in writing to the Director of Food Services. Each request shall include the dates requested, the affected employees, and the reasons for the leave. No individual employee shall be granted such leave for more than four (4) consecutive days. Granting of the leave shall be up to the discretion of the immediate supervisor. The Union will bring any complaints regarding the matter to the attention of the Office of

Labor Relations. Such leave time may be taken in increments of one hour or greater.

  - 1.2 Collective bargaining or conferring with the District's Representatives or the observation of a condition related to a grievance.
  - 1.3 The distribution of Union or Local Union material such as but not limited to papers, leaflets, handbills, or literature may be made by the Union or Local Union on the District's premises at points which the District may designate.
  - 1.4 The District agrees to provide reasonable space for the posting of notices of the Union or Local Union. No notice shall be posted unless advance approval is obtained from the District's Office of Labor Relations. Nothing inflammatory, derogatory, controversial, or disruptive to good relations shall be contained in material to be posted.
  
2. Conversation(s) relating to the Union or Local Union and its activities shall not be prohibited, provided however that such conversation(s) shall not be construed as permitting employees to interfere with their job duties.

## **Article 11. Payroll Deductions - Check-Off**

### **A. Dues Deductions**

1. In accordance with the provisions of this Article, the District agrees to deduct from the wages of employees in the bargaining unit periodic Union dues on the basis of a properly executed authorization to make such deductions, on a form of which a copy is attached to this Agreement and identified as "Exhibit A."
  - 1.1 The employer will process all properly executed authorization forms in a timely manner.
  
2. The amount of the deduction to be made from each employee's wages will be certified, in writing, to the District by the Secretary-Treasurer of the Union.

In the event Union dues are changed, the District agrees to effect such changes in deductions within thirty (30) days following the receipt of a written notice from the Secretary-Treasurer of the Union.

3. The District will temporarily cease individual deductions when:
  - 3.1 the employee is temporarily transferred out of the bargaining unit for a period of more than two (2) months;
  - 3.2 the employee is on leave of absence without pay.
4. The District agrees to stop individual deductions when:
  - 4.1 the employee is transferred out of the bargaining unit;
  - 4.2 the employee is no longer in the employ of the District;
  - 4.3 the employee gives notice to the District by signing a letter in the Office of Labor Relations on or before May 1, which will request that the employee's dues deduction authorization be revoked, to become effective July 1. The original letter will be sent to the Payroll Department for processing. A copy of the letter will be given to the employee and a copy of the letter will be sent to the Secretary-Treasurer of the Local Union.
5. Such deductions will have a priority over all others, except those which are required by law.
6. The District agrees to make two (2) deductions per month from the wages earned by each member and remit same to the Secretary-Treasurer of the Union within two (2) weeks following the second deduction of the month. Such remittances shall be accompanied with the information specified in Article 26, Information and Notices, of this Agreement.
7. The District agrees to assume the cost of making such deductions.
8. The Union agrees to indemnify the District and hold it harmless from all claims, damages, costs, fees, or charges of any kind, except as provided above, which may arise out of the honoring by the District of dues deduction authorizations in accordance with the provisions of this Article and the transmitting of such dues deductions to the Union.

#### **B. PAF (Political Action Fund) Deductions**

1. The District shall honor separate additional voluntary deduction authorizations

for the Union's Political Action Fund (CWA-PAF). The standard form to be used following the execution of this Agreement shall be attached as Exhibit B to this Agreement.

- 1.1 The District will remit the authorized amount upon a properly executed written authorization on the approved form. Such authorization must be submitted 10 days prior to the beginning of the pay period for which the action is to become effective. If the employee does not receive pay sufficient to support a deduction in any pay period, the District will not be required to retroactively deduct in any subsequent pay period.

It is specifically understood and agreed that the District assumes no obligation, financial or otherwise, arising out of the provisions of this Article, and CWA agrees that it will indemnify and hold the District harmless for any claims, judgments, actions, or proceedings made or brought by any employee covered under the CWA Bargaining Agreement arising from deductions made by the District pursuant to this Article or the expenditure of such funds by CWA. After deductions are remitted to the Union, the disposition thereof shall be the sole and exclusive obligation and responsibility of CWA.

Employees may revoke the PAF deduction at any time. Such revocation must contain the employee's signature. It is the employee's responsibility to submit the original to the Union. The Union will sign the document and have the employee submit the request to the Payroll Office.

- 1.2 An employee shall specify the amount, if any, of additional authorizations for the CWA-PAF program.
- 1.3 All funds collected and distributed to the Union as dues deductions shall not be co-mingled with any funds collected and distributed to the Union as CWA-PAF deductions.

## **Article 12. Movement of Personnel**

1. The District will endeavor to fill permanent job openings by giving first consideration to promoting employees from lower rated classifications in the bargaining unit when such employees have the required qualifications to perform the work. All adjustments to the

work force will be initiated and made by the District in accordance with this Article.

2. Lay-offs. When a lack of work exists and it becomes necessary to reduce the work force, employees shall be selected as surplus in the inverse order of their seniority from the classification and shall be considered for placement to another job for which the employee is qualified to perform efficiently within a reasonable training period in the order of the following successive steps:

- 2.1 on vacancies in the employee's classification,
- 2.2 displace in the employee's classification another employee who has the shortest seniority and further provided that the surplus employee has more seniority than the employee to be displaced. If the employee is not thus placed, then
- 2.3 in the next lower classification and in the same manner in successively lower classifications.
- 2.4 A surplus employee who cannot be placed in accordance with the above shall be laid off. However, employees subjected to layoff shall not suffer any loss of seniority, provided the employee returns to work within a six (6) month period.
- 2.5 A surplus employee may elect to fill a vacancy in a lower classification or be laid off.

3. Vacancies. After paragraph 2 above has been applied and a vacancy exists within the bargaining unit, the District shall post on-line such job vacancy for a period of one (1) week during which time employees interested in filling the vacancy fill out a Job Bid Application Form.

4. Transfer/Advancement. The District shall select an employee from those possessing the same classification and required qualifications to perform the work involved and who have made their desires known in accordance with paragraph 3 of this Article. When qualifications are met, seniority shall govern in such selections. In determining the qualifications of an employee for movement into a classification, the District shall consider the employee's skill to perform under the classification and the employee's demonstrated ability on the present job assignment.

- 4.1 In the event that no employee, in the same classification applies for the vacant position, the Employer may select another employee possessing the required qualifications to perform the work involved and who have made their desires known in accordance with paragraph 3 of this

Article. When qualifications are met, seniority shall govern in such selections. In determining the qualifications of an employee for movement into a classification, the District shall consider the employee's skill to perform under the classification and the employee's demonstrated ability on the present job assignment.

5. Each employee transfer/advancement shall be provided an orientation period on the job, not to exceed three (3) months. In the event the employee fails to perform the job satisfactorily, the District will return the employee to the employee's former job. Should the former job no longer exist, the employee will be placed on another job of equal pay which the employee is qualified to perform.

6. The District may hire when a job vacancy cannot be filled in accordance with the provisions above, subject to the provisions of paragraph 8.

7. The District shall maintain a list of laid-off employees. Qualified laid-off employees shall have first priority by seniority before hiring new employees is utilized.

7.1 The District's obligation to recall a laid-off employee shall cease when the employee does not respond and report within ten (10) days after certificate of receipt of written notification which has been sent by U.S. certified mail, return receipt requested, to the employee at that employee's last known address to return to work.

7.2 Any employee who has not been recalled within six (6) months of layoff shall be considered terminated.

8. When it is anticipated that a temporary vacancy will extend beyond eight (8) weeks, it shall be filled in accordance with the provisions of paragraph 4. During the interim period, the vacancy shall be filled on a temporary basis from among the employees of the affected work location when possible and those employees who have expressed a desire to transfer in accordance with paragraph 2 above. The temporary vacancy shall cease to exist on the return of the employee for which the temporary vacancy was established. Employees filling such temporary vacancies shall return to their former classification.

9. It is understood that the use of temporary or non-regular part-time workers, not covered by the provisions of this Agreement, should not be used to perform work currently performed by bargaining unit employees to the extent that it would cause a reduction in the number of hours regularly worked by

bargained for employees.

10. Equalization. When the re-allocation of a Class I or Class IV employee needs to occur because of the staffing formula based on meals served, this will be known as “equalization.”

- 10.1 Equalization will occur when there is over staffing in schools based on the expected trays per employee hour (TPEH) and average daily participation (ADP) and the comparison to similar schools with similar ADP.
- 10.2. Equalization may occur anytime during the school year when necessary to have equalization within the district.
- 10.3. Equalization is not a layoff or a transfer of work to non-bargained employees.
- 10.4 Volunteers will be asked to transfer first and will be placed on a “Priority Transfer” list. If there are no volunteers, transfers will be identified based on least seniority. Those workers in schools that are overstaffed will be given a choice of transferring to schools that are understaffed. Only one second placement opportunity will be allowed should another school open up in a two month period. The employee must notify Food Service Human Resources if they see another school on the vacancy list of interest to them. If the employee has been at the new position for over two months, they will be eligible to bid for open positions.
- 10.5 The “Priority List” will be updated as needed and provided to the Union when updated.
- 10.6 Area Managers will notify the site supervisor and employees that their school site will be going through an equalization change. Employees will be asked if any employee would like to volunteer for a transfer prior to notifying the least senior employee at the over staffed school site. Employees transferring will be given a one week notice before transferring to a school with available openings. If the vacancy is not a desirable location to the employee, the employee will be eligible to bid for open positions within FANS.

## **Article 13. Seniority-Probationary Employees-Automatic Termination**

1. An employee's seniority with the bargaining unit shall be a composite of the following periods of time:
  - 1.1 employee's present continuous period of employment;
  - 1.2 any previous period of employment provided the interruption of employment did not exceed one (1) year;
  - 1.3 layoff periods which did not exceed six (6) months in duration;
  - 1.4 all periods of leaves of absences which have been approved by the District.
  
2. An employee shall be considered probationary for the first six (6) working months of employment.
  - 2.1 During such probationary period, an employee may be terminated. Such termination shall be subject only to the first step of the grievance procedure. All other provisions of the Agreement shall apply during the probationary period except as provided herein.
  
3. An employee's employment status with the District shall automatically be terminated when:
  - 3.1 The employee fails to report for work for a period of three (3) consecutive working days and notification was not given to the employee's immediate supervisor during such absence, except when it is determined that the circumstances of such absence were justified and precluded giving notification.
  
4. Suspension and Disciplinary Action
  - 4.1. A non-probationary employee may be terminated, suspended, or disciplined only for just cause. The employee shall be notified of the action, in writing, and the reason(s) therefore and shall have the right to file a grievance as provided in Article 5.
  
  - 4.2. Any employee suspended shall be suspended with pay until determination of the action to be taken is made. If it is determined, following the investigation, that loss of pay to the employee is warranted, reduction in pay shall become retroactive to the first day of suspension.

- 4.3. An employee who has completed three (3) consecutive full years of employment with the District may be terminated only in accordance with state law.

## **Article 14. Work Schedules**

1. Daily work schedules shall be as follows:

Full-time employees - 6 hours minimum

Part-time employees - 3 hours minimum

2. All employees will have the same option as presently provided concerning receiving a nonpaid thirty (30) minute duty free lunch period or waiving the thirty (30) minutes for a fifteen (15) minute paid duty free lunch period. Each employee shall make this option once each year per work location.

3. One (1) paid, duty-free rest period of fifteen (15) minutes will be provided to each employee who is assigned six hours of work. Two (2) paid, duty free rest periods of fifteen (15) minutes will be provided to each employee who is assigned eight (8) hours of work.

- 3.1 The District will ordinarily schedule duty free rest periods in the middle of working periods which may be staggered to permit maximum job efficiency.

4. A workweek for the purposes of determining a payroll period shall be Saturday through Friday within which employees shall be scheduled five (5) consecutive workdays beginning on Monday. When six (6) consecutive days are worked they shall be considered to fall within the same workweek.

5. A night shift is one in which an employee's scheduled hours fall wholly or in part between the hours of 6:00 p.m. and 6:00 a.m. An employee assigned to such hours shall be paid a night shift differential for all hours worked.

6. In the event of scheduling additional hours because of program additions or changes, the determination of which employee receives extra hours will be based first on those who volunteer from the same site location for the extra hours and then seniority. If there are no volunteers from the site requiring the additional hours, then the employees at the nearest school will be offered the opportunity to work the extra hours.

## **Article 15. Wages and Allowances**

It is agreed by the parties that the wage rates set forth below shall become effective as of July 1, 2015, and shall continue to be effective until June 30, 2016, and shall be assigned to all employees of the unit who are actively employed on the date this Agreement becomes effective.

See Attached Wage Schedule

1.1 Wage rates identified as Start Rate will be assigned to probationary employees only. Upon completion of the initial probationary period, the employee assigned to the start rate will automatically progress to the Step 02 rate within their classification.

1.2 For the fiscal year 2015-2016, there will be no base wage adjustment.

1.3 In the event additional revenues are realized by the District and prior to any distribution of these revenues, the parties shall reconvene to determine whether any such additional revenues can be applied to Union bargaining unit employees.

2. For the purpose of administering its wage practices, the District will assign employees to one (1) of two (2) classifications in accordance with the major skills, responsibilities, and efforts required to be performed by the employee assigned to such classification.

3. A promotion of one classification level will provide the employee with a wage increase to the same step in the higher classification.

4. When an employee fails to perform in the new job title, the employee shall be returned to the former job and shall receive pay treatment as though the employee had remained on the former job, consistent with Article 12, Movement of Personnel.

5. When an employee is temporarily upgraded to a Cook/Baker (Class IV), the employee will receive an increase for all hours worked for the period of temporary assignment at the equivalent Step Wage Rate for the respective higher Classification.

6. A downgrade of one classification will provide the employee with movement into the new classification which provides a wage decrease to the

same step in the next lower Classification.

7. When an employee is assigned as a lead person, that employee shall receive a differential allowance of one dollar (\$1.00) per hour in addition to the employee's classification wage rate.

8. Employees assigned to a night shift will receive differential allowance in the amount of twenty cents (\$.20) per hour.

9. Employees who hold and maintain a valid School Food Service Certification issued by School Nutrition Association (SNA) shall receive an additional thirty cents (\$.30) per hour.

10. Each employee who has completed five (5) years of service with the District shall receive a longevity allowance of twenty-five cents (\$.25) per hour and an additional twenty-five cents (\$.25) per hour upon completion of five years of service thereafter, built into their base wage.

11. Employees who have been absent less than the hourly equivalent of five (5) days during the previous calendar year (other than job-related injuries, personal leave, and bereavement leave) or excused Union absences shall receive, at the employee's option, an allowance of two (2) day's pay or two (2) days off with pay.

The hours awarded for two days will be:

Class IV	Full time	13.0 hours

MEMORANDUM OF AGREEMENT

DATE: May 12, 2015

TO: Karen Rudys, Director of Labor Relations, Albuquerque Public Schools

FROM: Robin Gould, CWA Representative

RE: "Must hire" process

1. In the event that insufficient appropriated funding to work locations within the District results in the displacement of bargaining unit employees, the District will assign employees as "must hires."
2. Employees will be offered placement in openings within their job title and classification nearest the location from which they were displaced. Seniority will determine priority in placement. The employee may choose an alternate vacancy in the event of multiple vacancies. A list of all job placements will be provided monthly to the Union. If there are no vacancies in the employee's job title, the employee may choose to enter another job classification for which he/she is qualified to perform. In accordance with Article 15, paragraph 3, if there is a vacancy in a higher classification, the employee may apply in accordance with Article 12, paragraph 4.
3. When the District declares a "hiring freeze" to all outside personnel, all vacancies will be open to transfer until they are filled. Jobs will be posted for current employees. Once it has been determined that there is an internal "qualified" applicant, the vacancy will be filled in accordance with Article 12, paragraphs 3 and 4.
4. This memorandum of understanding gives direction only to displaced employees by creating an end of month summary of job placements and establishing a process by which positions are offered. It may not serve to override the Negotiated Agreement. If there is a dispute regarding this memorandum, the District and the Union will meet to attempt to resolve any issues in dispute. If these issues cannot be mutually resolved, the Collective Bargaining Agreement will govern. This memorandum of understanding will remain in effect for one (1) year and may be modified or renewed only by mutual consent of both parties.
