EMPLOYEE FUNDED SICK LEAVE BANK GUIDELINES

The Sick Leave Bank (SLB) is available to employees covered by the negotiated agreements for the:

- Albuquerque Teachers Federation (ATF)
- Albuquerque Federation of Classified Professionals (AFCP)

Respective negotiated agreements provide this benefit to participants who are experiencing a catastrophic illness or injury and who will exhaust all accrued leave (personal, sick, annual). Application for compensation benefits from the Sick Leave Bank while on an approved leave of absence must be made in a timely manner prior to exhaustion of available leave in order to ensure no interruption of pay. The SLB's purpose is to provide sick leave coverage to those employees intending to return to work upon recovery from their illness or injury.

- To be eligible for an APS extended medical leave of absence, an employee must have actively worked for APS a minimum of one contract year immediately prior to the Leave start date.
- To receive Sick Leave Bank benefits, an employee must be eligible for both an extended medical leave and Sick Leave Bank benefits.
- Generally, pregnancy, intermittent, or chronic conditions are not covered by the Sick Leave Bank.
- Employees must contact the Sick Leave Bank Specialist or Extended Leaves Specialists to determine FMLA eligibility.

A. ELIGIBILITY

Each eligible employee must complete the APS Sick Leave Bank Enrollment form authorizing payroll deductions for membership in the Bank. Part-time employees are eligible for enrollment in the SLB. Bi-monthly payroll deductions are stated and are subject to committee review annually. Deductions will begin by the first of the month after the SLB enrollment form is processed. For all new enrollees to the SLB, eligibility to apply for SLB benefits will begin ninety (90) days after the enrollment form is processed.

New Hires

New employees to APS will have sixty (60) days from the date of hire to enroll in the SLB.

Employees on Leave of Absence

Employees on a leave of absence are not eligible to enroll in the SLB until reinstated to active status.

SLB members on a paid leave of absence will remain active in the SLB. Members on an unpaid leave of absence may continue SLB membership by paying the fees monthly as outlined on the Leave of Absence Letter. Members that drop SLB while on leave of absence must re-enroll and satisfy the 90 day waiting period before being eligible to apply for SLB benefits. Members returning from leave of absence should verify their re-enrollment in the SLB with the Sick Leave Bank Specialist, (505) 830-6246.

Open Enrollment/Disenrollment

Annually, an open enrollment period will begin August 1st. Presentations on the SLB and enrollment opportunities will be given at new employee orientation events held by the respective unions. The open enrollment period will end on October 31st. Previously enrolled employees need not re-enroll.

A request to withdraw from participation in the bank must be submitted to the SLB Committee within ten (10) workdays of the new contract year or during the open enrollment period.

- Employees must notify the Sick Leave Bank Specialist when a position change has occurred and the employee is in a non-eligible position. The employee will then be dis-enrolled from the Sick Leave Bank.

B. ADMINISTRATION

1. The SLB Review Committee consists of one (1-2) voting member appointed by each of the participating bargaining units and district personnel for consultation as necessary. Such consultation may include responding to committee requests for technical assistance in administering benefits through payroll, support from the Employee Assistance Program (EAP) when working with mental health/substance abuse related claims, and other assistance as requested by the SLB Review Committee.
2. The SLB Review Committee reviews all applications submitted for benefits from the SLB. Meetings are held the a few days prior to each pay date. Applications are due no later than 3 PM the day prior to each meeting. You can reach out to the Sick Leave Bank Specialist to know when the next meeting will take place.
3. SLB Review Committee decisions are final and are not subject to the grievance procedure. By enrolling in the SLB, the employee waives any right to seek redress for any claim, real or imagined, against the District, the SLB Review Committee, any of its members or any of the bargaining units represented on the committee as a result of any decision made by the committee.
4. Approved requests are subject to on-going review by the SLB Review Committee to ensure that all guidelines are being followed. If the committee finds that an employee is not complying with guidelines, requested SLB benefits will terminate. In addition, the SLB Review Committee reserves the right to terminate membership/privileges and the employee may be held responsible for repaying any inappropriately obtained benefits from the SLB. The SLB reserves the right to seek garnishment to retrieve inappropriately obtained benefits.
5. An operations report will be prepared and submitted to the APS Board and the participating bargaining units on an annual basis.
6. Benefits are available subject to the SLB's ability to pay.

C. USAGE/OTHER CONDITIONS

2. Alteration or falsification of information on either form could result in termination of benefit and disenrollment from Sick Leave Bank.
3. The maximum lifetime benefit for all combined sick leave claims by an individual shall not exceed \$30,000. This limit shall become effective for all claims filed after July 31, 2023.

Employees must exhaust all available "leave time" before benefits from the SLB will be granted. If a claim extends into a new school year and the deductible has been met in the previous year, no further deductible shall be required to be met for that particular claim.

Sick leave days utilized for needs directly related to a specific claim may also be counted toward meeting the deductible requirement. Documentation from the physician treating the claimant must be provided as

verification that usage of those sick leave days are related to the claim. If verified by the physician, sick leave days utilized in relation to a claim prior to approval may be applied toward meeting the 10-day deductible.

If an additional unrelated claim occurs in the same school year as a previous claim, no additional deductible need be met.

Employees requesting leave will not be able to utilize any more leave than has been accrued up until that point in the contract year.

6. Benefits from the SLB may be drawn only for those days of the year identified by the district as workdays for the applicant.
