AGREEMENT

This Agreement made and entered into this December 7, 2020 between the Albuquerque Municipal School District Number 12, County of Bernalillo, State of New Mexico (the “DISTRICT”) and the Communications Workers of America (the “UNION”),

The parties hereto mutually agree as follows:

Article 1. RECOGNITION

In accordance with APS Board of Education Labor Relations Policy H. 1 as adopted on September 9, 1971, and last revised on February 20, 1996, the DISTRICT hereby recognizes the UNION as the sole and exclusive bargaining agent with respect to wages, hours and other terms and conditions of employment. The employees covered by this Agreement include employees such as maintenance, custodial, and warehouse workers. Supervisors, secretarial and confidential employees are excluded from the bargaining unit.

The Employer recognizes the Public Employee Bargaining Act as the governing statute regarding CWA’s exclusive representation of the above recognized employees.

Article 2. RESPONSIBLE DISTRICT-UNION RELATIONSHIP

1. The DISTRICT and the UNION recognize that it is in the best interest of both parties, the employees and the public that all relationships between them be characterized by mutual responsibility and respect. To insure that this relationship continues and improves, the DISTRICT and the UNION and their respective representatives at all levels will apply the terms of this Agreement fairly in accord with its intent and meaning and consistent with the UNION’S status as exclusive bargaining representative of all employees in the unit.
2. Each party shall bring to the attention of the employees in the unit, including new hires, their purpose to conduct themselves in a spirit of responsibility and respect and the measures they have agreed upon to insure adherence to this purpose.
3. The LOCAL UNION will be permitted to insert in new hire orientation packets, informational materials for the purpose of notifying the new hire of their rights under the provisions of the negotiated agreement as well as to permit the employee the opportunity to become a member of the UNION.
4. The Local Union will be permitted to meet with new employees within thirty days from the date of hire for a period of at least thirty minutes without loss of employee compensation or leave benefits. Time is allocated during the new employee group-processing meeting. The District will provide a list of the new employees in the CWA bargaining unit in advance of any orientation meeting. In the event that no face to face group processing meeting occurs, the Local will seek to speak with the new employee at a time in which the least amount of disruption occurs.

Article 3. COLLECTIVE BARGAINING PROCEDURE

1. Collective bargaining shall be conducted by authorized Bargaining Representatives of the DISTRICT and the UNION. The parties shall notify each other initially, in writing, of the names of their authorized Bargaining Representatives and thereafter of any changes which may occur. All such written communications from the UNION shall be signed by the Vice President of the UNION or his/her designated representative.
2. Collective bargaining meetings shall be held at times and places mutually convenient at the request of either party. The party requesting the meeting shall inform the other reasonably in advance of the subjects to be discussed. Negotiations shall be conducted in closed sessions.
3. It is the intention of the parties, with respect to the collective bargaining of future replacing agreements, to conduct their negotiations thereon in such a manner as to reach a new agreement on or before the termination date of this present Agreement.

Article 4. NON-DISCRIMINATION

1. The DISTRICT and the UNION agree that each will not interfere with the rights of employees to join, or refrain from joining, the UNION and agree that each will not in any manner, because of an employee's membership or non-membership therein, directly or indirectly discriminate against, interfere with, coerce, restrain, demote, transfer or discipline any employee. Nor will the DISTRICT discriminate against, interfere with, coerce, restrain, demote, transfer, or discipline any employee because of such employee's status as a Representative or Officer of the LOCAL UNION.
2. Both the DISTRICT and the UNION agree that they shall not discriminate against an employee because of action taken by either party in processing grievances under the provisions of this Agreement.
3. In a desire to restate their respective policies, neither the DISTRICT nor the UNION shall unlawfully discriminate against any employee because of such employee's race, color, religion, sex, age, national origin, disability, or sexual preference.
4. The use of masculine and feminine gender or titles in this Agreement shall be construed as including both genders and not as sex limitations.
5. Both the District and the Union agree that immediate family members cannot work together in the same work location/building/department. For purposes of this contract, "immediate family member" means a spouse, child, brother, sister, mother or father. Current family members working within the same work location/building/department may continue to work together unless conflict occurs which prevents a good work environment or interferes with job duties.

Article 5. GRIEVANCE PROCEDURE

1. The purpose of this procedure is to secure at the lowest possible level equitable solutions to complaints arising with respect to wages, hours of work, or other conditions of employment.

Conditions of employment not specifically expressed in this Agreement shall not be subject to Article 6, Arbitration.

2. A grievance shall mean an allegation by an employee or group of employees that there has been a violation of any of the provision(s) of this Agreement. Failure to submit a grievance within fifteen (15) working days following the discovery of the act or condition complained will constitute a forfeiture of the right to file. Any decision rendered in a grievance, filed within the time limits prescribed herein, shall be limited to the party(ies) on whose behalf the grievance was filed, unless otherwise agreed to by the parties. Should the DISTRICT fail to respond to a grievance within the time limits expressed herein, the LOCAL UNION may proceed to the next level of the grievance procedure.
3. After a LOCAL UNION Representative has referred a grievance to the DISTRICT for adjustment, the DISTRICT will not initiate discussion of the matter with the employee nor adjust the grievance pending settlement with the LOCAL UNION or UNION respectively.
4. Any written reply to a grievance made at any level which is not appealed to the succeeding level within the time limits provided shall be considered closed. By mutual agreement the parties may extend time limits expressed in this Article.
5. Nothing contained herein shall be considered as limiting the right of an employee to discuss or process grievance as an individual. In such cases the UNION shall be notified in writing by the DISTRICT'S Office of Labor Relations of any decision reached. The Union will be notified and permitted to attend any meeting where an employee participates in self-representation.
6. Any grievance initiated on behalf of the DISTRICT shall be initiated by the Superintendent or his designee at Step Three as outlined in Paragraph 8.
7. When a grievance affects a group of employees or is based on a termination from employment, it may be submitted by the LOCAL UNION or UNION at the Step Two of the Grievance Procedure.
8. When an employee desires to have a grievance presented for settlement by the LOCAL UNION, such grievance shall be presented as outlined and settlement effected at any one of the steps indicated.
 - 8.1. Step One. Prior to the DISTRICT initiating an investigatory meeting and prior to the LOCAL UNION filing a formal written grievance, the employee, and/or the Local Union Representative shall meet to attempt resolution. The meeting should be documented by a summary memo signed by both parties and will not be placed in the employee's personnel file. Employees will be given notification in Spanish and English that the meeting is nondisciplinary but will be documented.

A grievance will first be filed in writing by the employee and/or the Local Union Representative with the employee's immediate supervisor or the Executive Director of Labor Relations. Within fifteen (15) working days following receipt of said grievance, the immediate supervisor or the Executive Director of Labor Relations shall give the employee and the LOCAL UNION Representative a written response to the grievance. If in the opinion of the LOCAL UNION a satisfactory settlement is not obtained, the UNION Representative may appeal to Step Two.

8.2. Step Two. A grievance shall be filed at Step Two if the remedy sought is within the authority of the immediate supervisor. If it is a remedy in which the authority of the immediate supervisor has no authority, it shall be filed with the Director of Labor Relations.

A grievance will first be filed in writing by the employee and/or the Local Union Representative with the employee's immediate supervisor or the Director of Labor Relations. Within fifteen (15) working days following receipt of said grievance, the immediate supervisor or the Director of Labor Relations shall give the employee and the LOCAL UNION Representative a written response to the grievance. If in the opinion of the LOCAL UNION a satisfactory settlement is not obtained, the UNION Representative may:

8.3. Step Three. Within fifteen (15) working days following receipt of the Step Two response, appeal the grievance in writing, to the District Superintendent, or designee, who shall be the Director of Labor Relations. The Superintendent or designee shall answer the grievance in writing within ten (10) working days following the date upon which a meeting was held between the Superintendent or designee and the UNION.

If in the opinion of the UNION, a satisfactory settlement is not obtained, the UNION may, within twenty (20) working days following receipt of the Superintendent's or designee's written response, proceed to Arbitration, Article 6.

8.4. Union initiated meetings with the supervisor or the principal on the interpretation of the contract will take place at a mutually agreeable time.

8.5. An employee may request all non-privileged information upon which APS relies to suspend or terminate an employee. The parties agree to make available upon written request, documents, video, voice recordings, witness statements, etc., that are relevant to and necessary to assist the parties in addressing their dispute, unless such documents, video, recordings, witness statements, etc., are protected by law. The requested documents shall be provided prior to the next hearing date with adequate time to review after the request and prior to any subsequent meeting or hearing.

Article 6. ARBITRATION

1. Any dispute arising between the parties with regard to the interpretation of any provision of this Agreement may be referred to Arbitration, in accordance with the procedure hereinafter set forth, provided:
 - 1.1. The procedure for the settlement of the grievance, Article 5, Grievance Procedure, has been exhausted; and
 - 1.2. Such dispute does not involve a provision of this Agreement which specifies that it is not subject to Arbitration; or
 - 1.3. Such dispute does not involve a matter in which the DISTRICT is without authority to act; or
 - 1.4. Such dispute does not involve a case in which the determination of the matter is within the judgment or discretion of the DISTRICT.

- 1.5. In the event the employee has less than one (1) year of service with the DISTRICT, terminations are not subject to arbitration.
2. Arbitration shall be conducted by one (1) person (hereinafter referred to as the Arbitrator) who will be selected as follows:
 - 2.1. The parties may mutually agree upon an Arbitrator.
 - 2.2. Alternatively, the parties may jointly request a list of Arbitrators from the Federal Mediation and Conciliation Service ("FMCS"). The parties will strive to mutually agree upon an Arbitrator from that list.
 - 2.3. If the parties fail to mutually agree upon the Arbitrator, each party will strike one name followed by the other party striking one name until a single name remains and shall become the Arbitrator. The party required to strike the first name will be determined by a flip of a coin.
3. The Arbitrator shall have no power to alter, amend, and add or to subtract from the terms of this Agreement.
4. The Arbitrator shall prepare and submit, in writing, to the DISTRICT and UNION a determination within thirty (30) working days after the conclusion of the hearing. The determination of the Arbitrator shall be final and binding.
5. The cost of services for the Arbitrator shall be shared equally by the DISTRICT and the UNION.
6. By mutual oral or written agreement, the parties may extend the time limits expressed in this Article.

Article 7. ACCESS OF UNION OFFICIALS TO PREMISES

Accredited UNION Officers and/or Representatives not employed by the DISTRICT shall have reasonable access to the DISTRICT'S premises for the purpose of conferring with DISTRICT Representatives and observing conditions relating to grievances, provided prior arrangement and approval is made through the Office of Labor Relations.

Article 8. UNION LEAVES

1. Upon request of the UNION, the DISTRICT shall grant a UNION Leave of Absence to UNION members, provided that a written notice is given at least fourteen (14) days in advance. Such leaves of absence shall be granted:
 - 1.1. without pay;
 - 1.2. without loss of seniority;
 - 1.3. with eligibility to continue group benefits as contained in this Agreement, provided the employee maintains the premium cost;
 - 1.4. with guarantee of reemployment to the job vacated or one of equal pay.
2. Such leaves shall be for a specific period of time which was agreeable to the parties.

3. The DISTRICT'S obligation under this Article shall cease upon fifteen (15) days written notice to the UNION should the terms of the leave of absence be violated by the member on such leave of absence.
 4. The UNION agrees that it shall not request that a leave of absence be granted for a period of time when such absence would seriously affect the operation of the DISTRICT.
 5. The District will grant the Communications Workers of America Local 7070 up to 275 hours of release time per year for Union activity. Union activity refers to functions not associated with the administration of the contract (such as Union Conventions and training, organizing, political or community functions.) Requests for such leave shall be made by the LOCAL UNION President in writing to the Office of Labor Relations. Each request shall include the dates requested, the affected employees, and the reasons for the leave. No individual employee shall be granted such leave for more than four (4) consecutive days. Granting of the leave shall be up to the discretion of the immediate supervisor. The LOCAL UNION will bring any complaints regarding the matter to the attention of the Office of Labor Relations.
- 5.1 If requested by the Local Union, the District shall grant the elected Local President, Communications Workers of America Local 7070 leave without pay during their term of office for Union activity and contract administration. Union activity refers to functions not associated with the administration of the contract. Upon return from such leave, the employee will be placed on the salary matrix at the level which would have been achieved had there not been an absence.

Article 9. LEAVES OF ABSENCE

A. General Provisions

1. Both paid and unpaid time off may be granted to eligible employees, according to the following leave policies. All leave days are based upon the number of hours in the employee's regular duty day.
2. Application for Leave: All leaves of five (5) consecutive work days or less must be requested through and approved by the employee's supervisor. Extended leave (other than annual leave) of more than five (5) days, with or without pay, must be requested through the Extended Leave Clerk's Office in the Department of Human Resources. Employees must complete the required Leave Forms and receive the necessary approval before the leave requested may be taken. The preceding is not a requirement in the event of an unforeseen circumstance.
3. Use of Leave: When an employee becomes ill or is injured on the job, sick leave begins at the time of inability to continue work. An employee, who is already on personal day(s), or leave without pay, including parental leave, may not be eligible to use sick leave benefits. Inappropriate or excessive use of any leave may be cause for disciplinary action including dismissal.
4. Insurance Premium Payment During Leaves of Absence: The District will continue to pay its share of insurance premiums for employee coverage and dependent coverage for a maximum of one (1) year while an employee is on an unpaid leave of absence. If the leave is extended beyond one (1) year, the employee will be responsible for paying the total premiums for his/her coverage and that of his/her dependents. Failure to do so will result in loss of coverage. Employees should

consult their group insurance booklet to determine their insurance coverage during such a leave of absence.

5. Immediate Family: Immediate Family consists of employee's spouse, domestic partner, child, step-child, mother or father, sister, step-sister, brother, or step-brother of the Albuquerque Public Schools employee. This definition applies to sick leave as specified here and in the APS conflict of interest procedural directive.
6. Family Member: a person who is a spouse, domestic partner, father, father-in-law, mother, mother-in-law, son, son-in-law, daughter, daughter-in-law, sister or sister-in-law, grandparent, grandchild, aunts and uncles of the Albuquerque Public Schools employee. Family members shall also include any individual residing in the employee's household. This definition applies to bereavement leave in Section B and the District's nepotism procedural directive.
7. Additional Requirements for Extended Leaves Only
 - 7.1. Unless otherwise stated herein, an extended leave of absence without pay may be granted to employees at management's discretion for a period of up to one (1) year.
 - 7.2. An employee returning from an FMLA-related extended leave of absence shall be assigned to the same position held at the time the leave commenced or, if that position is no longer available, to a substantially equivalent position.
 - 7.3. In addition, an employee returning early from an FMLA-related extended leave of absence will be placed in the position held at the time the leave commenced provided the position has not been filled by a short-term employee. If the position has been filled by a short-term employee, the employee returning from the leave shall either opt to return to work at the end of the extended leave or apply for another position.
 - 7.4. An employee returning from any extended leave must file an intent to return to the District no later than sixty (60) days prior to the expiration of the leave if the leave is for six (6) months or longer with the Human Resources Department. Failure to notify the District as described above will be considered a resignation on the part of the employee effective at the conclusion of the leave period.
 - 7.5. Failure to return from a leave at the time agreed may result in termination of employment.
 - 7.6. Time spent on extended leaves of absence, up to one (1) year, shall not be considered a break in continuous service and will be counted for seniority purposes.
 - 7.7. Vacation and other benefits do not accrue during an unpaid extended of leave of absence.
- B. Bereavement (Funeral) Leave: An employee is absent with pay, not to exceed three (3) days, due to death in the immediate family. Two (2) additional paid days will be granted where round-trip travel is six hundred (600) miles or more. This leave is not cumulative nor is it deducted from an employee's sick leave.
- C. Paid Court Leave: An employee is summoned for jury duty or to testify as a witness (not as a plaintiff or defendant) in a court case, arbitration, or administrative hearing. An employee is required to present to the immediate supervisor the order requesting the employee's presence. Money received for jury duty during the employee's work schedule, except that paid for mileage and/or subsistence, will be submitted to the Business Office.

D. Family and Medical: Leave shall be granted to employees in accordance with District policy and not inconsistent with the Family Medical Leave Act.

E. Military Leave: Employees who perform duty, voluntarily or involuntarily, in the “uniformed services,” which include the Army, Navy, Marine Corps, Air Force, Coast Guard, as well as the reserve components of each of these services, Army National Guard, Air Force National Guard, Commissioned Corps of the Public Health Service, and any other category of persons designated by the President in time of war or emergency, will be eligible for reemployment after completing duty, provided:

1. They provide written or verbal notice of their orders to their supervisor or Human Resources as soon as received (unless precluded by military necessity or otherwise impossible/unreasonable);
2. They satisfactorily complete duty of five (5) years or more;
3. They begin duty directly from employment with District; and
4. They apply for and are available for re-employment as follows:
 - 4.1. Less than 31 days service: By the beginning of the first regularly scheduled work period after the end of the calendar day of duty, plus time required to return home safely and an eight hour rest period. If this is impossible or unreasonable, then as soon as possible.
 - 4.2. 31 to 180 days: No later than fourteen (14) days after completion of duty. If this is impossible or unreasonable, through no fault of the employee, then as soon as possible.
 - 4.3. 181 days or more: No later than ninety (90) days after completion of duty.

Service-connected injury/illness: Reporting or application deadlines are extended for up to two (2) years for persons who are hospitalized or recovering.

5. Performing duty, voluntarily or involuntarily, includes:

Active duty, active duty for training, and initial active duty for training; Inactive duty training; full-time National Guard duty; Absence from work for an examination to determine a person’s fitness for any of the above types of duty; Funeral honors duty performed by National Guard or reserve members; and Duty performed by intermittent disaster response personnel for the Public Health Service, and approved training to prepare for such service.

Employees who serve in U.S. military organizations will be paid for up to fifteen (15) days for each report to active duty, active duty training, and inactive duty training. Employees may apply accrued personal days and unused earned vacation time to the leave if they wish; however, they are not obliged to do so.

F. Personal Leave: One (1) day of leave with pay each year is granted to an employee for personal matters which require an employee’s absence during working hours. Except in emergency situations, the employee shall give at least three (3) working days’ notice to the immediate supervisor that the employee is taking leave under this section and such absence is approved in advance by the employee’s immediate supervisor. Emergency shall mean a situation beyond the control of the employee which prevents the prior notice. This leave may accumulate up to five (5) days. Accrued personal leave in excess of five (5) days shall be converted to annual leave.

- G. Leave Without Pay: An employee may request leave without pay for business and personal reasons having unusual circumstances. Application for this leave shall be submitted to the employee's immediate supervisor or designee, at least five (5) working days prior to the commencement of the leave. In the event an emergency situation occurs, the employee should notify the immediate supervisor or designee as soon as possible. Emergency shall mean a situation beyond the control of the employee which prevents the prior notice.
- H. Religious Leave: Religious Leave shall be granted to employees in accordance with District policy— up to two (2) days unpaid leave per year. The employee shall give at least three (3) working days notice to the immediate supervisor that the employee is taking leave under this section and such absence is approved in advance by the employee's immediate supervisor. Any disputes under this section will be expedited through Human Resources.
- I. Sick Leave: Employees will accrue 13 days of sick leave annually. Employees scheduled to work 4 hours per day will receive 52 hours of sick leave or 2.0 hours each pay period. Employees scheduled to work 8 hours will receive 104 hours of sick leave or 4 hours each pay period.
1. Unused paid sickness absence days to which an employee is entitled may be accumulated; however, such accumulation shall not exceed 260 days, recorded in hours, for which paid personal illness absence may be taken.
 2. An employee shall be granted extended unpaid leave for the purpose of caring for an ill family member in accordance with the provisions of the Family and Medical Leave Act.
 3. An employee will notify their immediate supervisor of all absences resulting from sickness or accident and shall be excused by the immediate supervisor. In addition, the supervisor may require a physician's certificate when patterns of use develop, such as:
 - 3.1. When an employee is absent both on a Friday and the following Monday;
 - 3.2. When the absence is four (4) consecutive days or more;
 - 3.3. When the employee is absent the day before or the day after a holiday period as defined in Article 12;
 - 3.4. When in the judgment of the immediate supervisor and Human Resources, an employee has used sick leave habitually. Habitually shall mean undocumented and a pattern of use of sick leave greater than the employee's annual accrual. However, long-term or chronic illnesses lasting greater than five (5) working days or work related illness or injury shall not be considered habitual use and should be referred to the Leaves Office. For this purpose absences of more than two (2) consecutive days will be considered as a single occurrence/incident.
 4. When an employee is absent due to injury (incurred during the course of his employment or related thereto) the unpaid difference between benefits paid under the Workers' Compensation Act of New Mexico and the regular pay shall be paid by the District from the accrued sick leave.
- J. Illness in the Immediate Family: Up to three (3) days sick leave may be used by an employee for critical illness in the immediate family. Critical illness is defined as an illness where death may occur; surgery is performed requiring hospitalization or an illness requiring treatment by a physician.

Verification of critical illness must be made by an attending physician. Such verification must be submitted within seven (7) days following the employee's return to work.

In the event an employee is required to attend medical treatment for work related accident or illness, the employee will have such time paid for all treatment that occurs during the employee's regular schedule work time.

K. Vacation/Annual Leave:

1. Each employee of the bargaining unit shall be entitled to accrue up to twenty-two (22) days leave, with pay, annually. The amount of annual leave to which an employee shall be eligible and the rate of accrual shall be in accordance with the following schedule:

Seniority	Days of Annual Leave Per Year	Accrual Rate Per Pay Period
1	10	.3846
2	12	.4615
3	14	.5385
4	15	.5769
5	16	.6154
6	17	.6538
7	18	.7923
8	19	.7308
9	20	.7692
10	21	.8077
11	22	.8462

2. The computation of annual leave accrual shall be consistent with the employee's seniority accrual. However, annual leave shall not be scheduled during an employee's initial six (6) months of employment, nor will an employee be paid in lieu of any annual leave accrual upon termination before completion of six (6) months of employment.
3. Employees with more than six (6) months of seniority shall be paid an amount in lieu of any annual leave to which they are entitled upon termination, not to exceed twenty-two (22) days.
4. Employees who are entitled to annual leave may select leave time in accordance with their desires, but consistent with the needs of the District. Normally, annual leave shall be scheduled when school is not in session; these periods shall include when school is not in session during the summer months and winter and spring recess periods. However annual leave may be scheduled by mutual agreement between the supervisor and employees at other times during the school year.

Except in emergency situations, the employee shall give at least three (3) working days' notice to the immediate supervisor that the employee is taking leave under this section and such absence is approved in advance by the employee's immediate supervisor.

For all requests of three (3) or more consecutive days of annual leave, the Supervisor shall reply to the employee's desired request within five (5) working days following receipt of the request.

5. Should the needs of the District limit the number of periods available for annual leave selection, seniority shall determine which employees may be granted such leave periods. This section shall not apply if staffing shortages exist because of positions that remain unfilled due to the decision of the District.
6. Custodial Summer Vacation Scheduling
Summer annual leave for custodians at school sites shall be scheduled as follows:
 - 6.1. All Custodians desiring three (3) or more consecutive days of annual leave between the end of school in May and the resumption of classes in August will submit their request to the Site Administrator on or before June 1st each year.
 - 6.2. The Site Administrator will approve, disapprove or discuss other possible dates with the employee(s) with a goal of scheduling and approving in writing, all summer extended leave periods prior to the last week of classes.
 - 6.3. Where conflicting requests cannot all be approved, seniority shall take precedence.
7. Once an employee has scheduled and received approval from their immediate supervisor on the use of annual leave, such annual leave cannot be unreasonably canceled. The employee and the immediate supervisor may agree to such cancellation.
8. When holidays fall during an employee's annual leave, the employee shall be granted commensurate extra days off with pay.
9. Although annual leave shall not accumulate in excess of sixty-six (66) days, employees will be permitted to utilize any portion of their accrued vacation during any annual period.
 - 9.1. Accumulated annual leave in excess of four hundred fifty (450) hours
 - 9.1.1. An employee who has accumulated in excess of four hundred and fifty (450) hours of unused annual leave will be given the opportunity to use 80 hours of annual leave within thirty (30) days of the notice to the supervisor.
10. When an employee's annual leave is interrupted by the death of a member of his immediate family or his/her hospitalization which has been verified by a physician, such interrupted annual leave shall be rescheduled at a time which is agreeable to both the District and the employee.
- L. Quarantine Leave: An employee is required to be absent due to quarantine imposed by a duly constituted health authority. Absence will be charged against sickness absence balance.
- M. Meritorious Attendance: The District and the Union recognize the importance of a meritorious attendance program. To that end, all full-time employees hired on or before July 1 and who use five (5) or fewer sick leave days from July 1 to June 30 will be awarded one (1) additional personal leave day. An absence due to an employee's personal leave, annual leave, bereavement, jury duty, or any on-the-job injury shall not count against this requirement. Personal leave may be used and accumulated as noted in paragraph F, herein.
- N. Other Extended Leaves of Absence

1. Advanced Study/Educational Leave:
 - 1.1. Employees who have been employed under the terms of the Agreement by the District for five (5) consecutive years or more immediately preceding the granting of this leave are eligible for an advanced study leave without pay for up to one (1) year.
 - 1.2. Employees on advanced study leave may continue any or all insurance programs by payment of their portion of the premium on the first weekday of each month of coverage or in multiples of months if desired. Failure to make payment will cause termination of coverage.
 - 1.3. Time spent on advanced study leave will not count for seniority purposes.
 - 1.4. Prior to returning to employment, the employee must provide verification of advanced study by submitting to the Department of Human Resources either:
 - 1.4.1. an official transcript indicating the earning of no less than twelve (12) semester hours; or (2) verification of technical vocational or other course of study that would require classroom attendance, the duration of which is up to one (1) year.
 - 1.4.2. Upon completion of the advanced study leave, the employee will be returned to a comparable position.
2. Parental Leave:
 - 2.1. Employees shall be granted parental leave without pay for a period up to one (1) year. Additional leave may be granted at the discretion of the District.
 - 2.2. An employee who is pregnant shall be entitled, upon request, to a leave to begin at any time between the commencement of her pregnancy and one (1) year after a child is born to her. Except in cases of emergency, the employee shall submit a Leave of Absence Request Form at least thirty (30) days prior to the date her leave is to begin. A written statement from the employee's physician which indicates the approximate date of birth is also required. An employee who is pregnant may continue in active employment as late into her pregnancy as she desires provided she is able to properly perform her duties. If not on parental leave of absence, any portion of an employee's absence from work because of a medical disability connected with or resulting from her pregnancy may be charged to available sick leave.
 - 2.3. Any employee granted parental leave shall be returned to work provided:

RE: "Must hire" process

In the event that insufficient appropriated funding to work locations within the District results in the displacement of bargaining unit employees, the District and the Union will convene to consider assigning employees as "must hires."

Employees will be offered placement in openings within their job title and classification nearest the location from which they were displaced. Seniority will determine priority in placement. The employee may choose an alternate vacancy in the event of multiple vacancies. A list of current vacancies, employees on the "must hire list," and notice of employees filling vacancies will be provided to the Union. If there are no vacancies in the employee's job title, the employee may choose to enter another job classification for which he/she is qualified to perform. In accordance of Article 18, paragraphs 3 and 4, if there is a vacancy in a higher classification, the employee may apply in accordance with Article 15, paragraph 4. When the District declares a "hiring freeze" to all outside personnel, all vacancies will be open to transfer until they are filled. Jobs will be posted for current employees. Once it has been determined that there is an internal "qualified" applicant, the vacancy will be filled in accordance with Article 15, paragraph 4. This memorandum of understanding gives direction only to the circumstances that create a "must hire" list. It may not serve to override the Negotiated Agreement. If there is a dispute regarding this memorandum, the District and the Union will meet to attempt to resolve any issues in dispute. If these issues cannot be mutually resolved, the Collective Bargaining Agreement will govern.

Memorandum of Understanding between Albuquerque School District Number 12 and the Communications Workers of America, Local 7070 Maintenance and Operations Units

Due to ongoing budgetary constraints and insufficient funding by the state, the parties agree that all bargaining unit employees will reduce the 2017-2018 calendar year by four 8-hour days and that no positions throughout the district will receive wage increases during fiscal year 2017-2018. This will be accomplished during Winter Break.

However, during Spring Break, all D-level personnel will be allowed to use 32 hours of compensatory time previously allowed during winter recess. This will enable all D-Schedule employees to take the entire week of Spring Break off with or without pay at their request.

Both sides acknowledge that this action is meant to eliminate the need for any Reduction in Force in the "D"

Schedule. If any extra money is found within the Operational budget or is allocated to the District Operational Budget, it will be utilized to reduce or to cancel the reduction in pay contained herein, and employees will be made whole.
