

Dear Parent,

Congratulations! _____ will be progressing to kindergarten. Upon registration you will be asked to provide the school nurse with a record of immunizations. Our records indicate that your child will need the following immunizations before entrance to school in the fall.

DPT _____ last date shown _____
OPV _____ last date shown _____
MMR _____ last date shown _____

With so much to do in the fall, it is a good idea to get these taken care of over the summer. At most schools you will not be able to register unless you have current immunizations in hand.

You may also want to discuss the following immunizations with your doctor:

Hep A _____
Hep B _____
Hib _____
Varicella _____

Have a great summer. It has been a pleasure to serve your family while you were in the APS Preschool Program.

Sincerely,

_____ (School Nurse)
