Re: Medications in the Health Room

In preparation for closing of the Health Room for the summer, we are requesting student's parent or guardian pick up all medications stored in the facility. These medications cannot be given to the student to carry home (with the exception of asthma inhalers or emergency medications). The Health Room staff will dispose of any medication not picked up by \_\_\_\_\_, the last day of school, no later than the close of the school day. If you have any questions regarding this matter, please feel free to call the school nurse at \_\_\_\_\_.
