Parent Permission to Reproduce Student Work

Many programs, activities and events taking place in the Albuquerque Public Schools are of interest to the public. Often civic, educational, student and other groups are interested in learning about our students and programs.

In addition, throughout the school year, your child may participate in and/ or create a variety of products or work, including, but not limited to, art, literature, video recordings, sound recordings, photographs and/or computer programs, hereinafter referred to as "student work." By signing this form, you authorize the School District to publicize your child's "student work" in various ways, including but not limited to publications, collections, exhibits and displays, and other media productions.

It is also recognized that once the "student work" is released to the public, the School District cannot control how what has been publicized may be used or represented by others. By signing this Public Release, you hereby release the Albuquerque Public Schools Board of Education, its members, employees, agents and representatives (hereinafter referred to as the "Releasees") from any and all claims you may have against the Releasees due to the School District having publicized or allowed the publicizing of the "student work" as described in this form, and from any and all liability that may arise from publicizing the "student work" or allowing the "student image/work" to be publicized, as described in this form.

Should you at any time wish to revoke the authorization given by the execution of this form, you may do so by informing the school which the student attends, *in writing*, that you are revoking that authorization.
