**RFP 25-031 RRR
TITLE: Architectural Services on Call
ADDENDUM #1**

1. **Please confirm if we need to include a LEED certification consultant on our team, or will LEED consulting services be procured under a separate-on call contract?**

Response: LEED certification will be procured utilizing APS’s current on call LEED consultants. You do not need to include a LEED consultant on your team. You may consider identify your experience working with a LEED consultants.

2. **Are you requesting engineering services as part of the Architectural on Call response, or should we strictly focus on architectural services.**

Response: There may be certain projects that will require engineering services. It is recommended that you list engineering consultants that you might utilize.

3. **If engineering services are required, under the Specialized Design & Technical Competence section, it asks for resumes and qualifications of engineers/sub consultants. Our approach is to propose a pool of consultants for each discipline, given the potential variety of task orders under this on-call agreement.**

Response: Identify your sub consultants, by each discipline, name of company, Business License.

4. **Considering the RFP’s 20 page limit, is it acceptable to provide overall firm qualifications for our consultant teams instead of individual resumes for each firm member?**
- 5.

Response: Yes, as stated in question three, identifying the team members will be acceptable. APS does reserve the right to request additional information.
