Question: “Can you identify which locations will have deposits delivered to a Central Cash Vault, and if any are using Branch Bank locations?”

Response: APS currently does not know which locations will have deposits delivered to a central cash vault. We are relying on the banks and armored car service to determine the best approach.

Question: “Can you please provide current Bid Tab/Rates?”

Response: We do not have current bid tabs or rates. Armored car service had been paid through Wells Fargo, and we changed banks about two months prior to the pandemic starting.

Question: “Who is your current service provider?”

Response: We do not have a current service provider.

Question: “Is it possible to add that BOTH parties may terminate the contract without cause given 30 days’ notice?”

Response: No, you must be able to comply with Albuquerque Public Schools Terms and Conditions listed in the Request for Proposal.

Question: “In our agreements/contracts, we typically ask for a mutual indemnification by both parties; would APS consider this option?”

Response: No, you must be able to comply with Albuquerque Public Schools Terms and Conditions listed in the Request for Proposal.
