**RFP 19-005KN

**July 3, 2018**

Please note the following changes/corrections/additions shall be made and incorporated in the bid document:

**Question 1: What is required for working in occupied sites where children are present?**

Answer 1: Background Check & Fingerprinting.

**Question 2: How much work is self-performed by APS staff?**

Answer 2: Usually smaller jobs. The determination to self-perform work is based on everyone's (APS & Contractors) availability and the scope of work.

**Question 3: What project management software is used?**

Answer 3: eBuilder

**Question 4: When will the final decision be made on award?**

Answer 4: We are working towards the August board meeting for final approval. (Subject to change)

**Question 5: Will the work be federally funded?**

Answer 5: It is not likely work will be federally funded.

**CLARIFICATION: Page 16 under "Codes and Permits"**

Currently Reads: ... Contractor shall secure all permits and licenses for the required work and shall pay all fees in connection with such permits and licenses. The contractor shall be reimbursed by APS for these permit fees only. No mark-up will be allowed. Copies of permit charge receipts must be submitted with invoices.

Clarification: Permit fees may be added to quotes/invoices as a separate line (similar to gross receipts tax). Fees do not need to be incorporated into pricing.

**CHANGE/CLARIFICATION: Page 17 under "Bonding Requirements" Paragraph 3**

Currently Reads: Offerors shall be responsible for securing all applicable bonds, permits, including any plan checking fees as changed by any authority having jurisdiction over the projects for checking contract documents prior to obtaining a permit. Additionally, the Owner will not pay for insurance, business licenses, professional affiliations and similar costs of doing business which are the Offeror's obligation to secure and maintain. The cost of all bonding will be paid by the Offeror and will not be paid by the Owner. These costs are to be included in the Offeror's price proposal.

Change: Remove the sentence reading "These costs are to be included in the Offeror's price proposal."

Clarification: Bonds may be added to quotes/invoices as a separate line (similar to gross receipts tax).

**CHANGE: Page 19 under "Bituminous Paving"**
