

ADDENDUM #2

**RFP 19-005KN
Bituminous Paving & Related Work/Materials on Demand**

July 9, 2018

Please note the following changes/corrections/additions shall be made and incorporated in the bid document:

Question 1: It appears that the trenching and backfill line items which were in the previous contract have been removed from this contract. Does that mean that all pipe line items are now to include the cost of trenching and backfill? Please verify.

Answer 1: Yes, please include all necessary costs involved with this work in your price.

Question 2: Bid item 10a.26 – 10a.33 have all been increased from a bid quantity of 1 to a bid quantity of 30. Why has this been done when this is primarily a paving contract and not a water contract? Are you planning on replacing the water services of a bunch of schools? If not, we would like to see these items reduced back to a quantity of 1.

Answer 2: The quantity of 30 was listed inadvertently. This should be a quantity of 1.

Question 3: Electronic Submittal on page 24: Paragraph 1 states that no electronic submittals will be allowed. On page 28, the RFP requests in two places electronic submittals for both the Price Proposal (Vol. 1) and the Technical Proposal (Vol. II)

Answer 3: Electronic Submittals referenced on page 24 refer to fax, e-mail, etc. Electronic submittals on page 28 refers to a CD or Flash Drive included in your sealed hard copy proposal.

Question 4: Letter of Submittal on page 24: Letter of Submittal is addressed as a vital submission document...No 'Letter of Submittal' is included in the RFP, although there is a 'Letter of Transmittal' form provided on page 30.

Answer 4: The Letter of Transmittal form on page 30 is the Letter of Submittal reference on page 24.

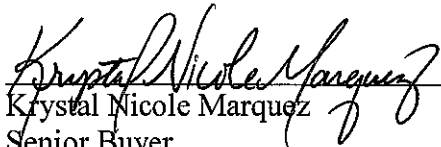

Question 5: Will you be including a wage decision in an addendum?

Answer 5: No, please use the prevailing wage rate B found on the workforce solutions website.

All other terms and conditions remain unchanged.

Include this signed and dated Addendum and Acknowledgement with your offer. If your offer has already been submitted to APS, please send this signed and dated Addendum via email to Krystal.Marquez@aps.edu. Acknowledgement not signed, dated and returned may deem the Bid submission as non-responsive, and Bid may be rejected.

Thank you for your interest in working with Albuquerque Public Schools.
