BID NUMBER: 27-004AF

BID TITLE: BOOKS FROM DISTRIBUTORS/RESELLERS/PUBLISHERS

ADDENDUM NUMBER: 1

Question 1:

On page 24 "Mandatory Qualifications," it is asking for bidders to "Submit a list of three (3) separate references where Bidder has provided custodial supplies to three (3) separate K-12 School Districts." Can you confirm this is asking for district references for books?

Response:

Apologies for the confusion. This is a typo and oversight on my part. It should ask if you have provided Books, **not** Custodial Supplies.

Question 2:

We only have a large price list we do not have a website or catalog yet can we still bid?

Response:

Yes, you can still bid.

Question 3:

On page 27 of the RFP document, there is a question about bid bonds. 13. Indicate the names, addresses and agent of the Bonding Company normally used by your organization. Only those bonding companies approved by the State of New Mexico are acceptable to the District. QUESTIONS FROM VENDOR: Are bid bond required for this bid? If company does not use bid bonds as commodity does not require, will NOT APPLICABLE be acceptable answer? If not, how should we answer since this bid does not appear to require a bid bond.

Response:

No bid bond is required. Not Applicable would be an acceptable answer.

Question 4:

I'm required to submit a link to our pricing catalog, which is our store website, in our case. I've typed the link to our website on the Mandatory Qualifications page, but don't see anywhere else to put the link.

Is there anywhere else I need to submit it?

Response:

Submitting the link on the Mandatory Qualification page is sufficient.
