RFP NO. 19-032RMS - ADDENDUM #1

Questions and Answers

January 11, 2019

1. **Question:** What grades are being addressed  
**Response:** Middle and High (6th-12th grade).
2. **Question:** Will there be teacher instruction, or solely an online course?  
**Response:** This solution should be online lessons that incorporate teacher instruction.
3. **Question:** What other Learning Management Systems, if any, are you currently using?  
**Response:** The District currently uses Cyber Quest.
4. **Question:** How many students will be served through the award of this RFP?  
**Response:** An estimated 22,000 students could have access.
5. **Question:** Is the district moving to implement a Math-in-CTE (or similar) instructional model?  
**Response:** No. The focus will be solely on the students.
6. **Question:** Does the district intend to award a single vendor or multiple vendors through this process?  
**Response:** The District reserves the right to multi award contracts as necessary for adequate delivery or service in accordance with 13-1-153 NMSA.
7. **Question:** Is the awarded contract intended as a districtwide implementation or to provide a list of approved vendors for individual schools to purchase from?  
**Response:** The awarded contract is intended to be used as a districtwide implementation.
8. **Question:** The RFP does not state when the system should be operable. Please indicate a date to meet this requirement.  
**Answer:** The Offeror should provide an implementation timeline. The District plans to implement the software as quickly as possible to ensure minimal disruption for our students learning.
