BID NUMBER: 26-047DNS

BID TITLE: Clothing Bank Discount from List

ADDENDUM NUMBER: 3

Vendor Question #1:

Could you please confirm the following:

1. List Price: Is this the price per unit, where one unit equals one dozen (12 items)?
2. Extended Price: Is this the total price calculated based on the discounted price per dozen multiplied by the required quantity (30 dozen)?

Example for confirmation:

If the price per hoodie is \$10.00, then the price per dozen would be \$120.00.

If a 20% discount is applied, the discounted price per dozen would be \$96.00.

Would the extended price then be calculated as:

$30 \text{ dozen} \times \$96.00 = \$2,880.00?$

APS Response:

1. Yes. List price is the price per unit, where ONE unit equals ONE dozen.
2. Yes. Extended price is the cost per dozen minus the discount.

Vendor Question #2:

Please clarify what is included under “incidental purchases”?

Does this refer to additional items not listed in the bid (e.g., jackets, t-shirts, or other apparel)?

APS Response:

Incidental Purchases: Will the contractor provide a Discount off Incidental Purchases for similar apparel (jackets, t-shirts, or other apparel) items as- needed and requested by department? Items which may not be listed specifically on this Bid, though do fit within the scope of this Bid. If so, what is that Discount % Off? And is that Discount % off Catalog, or certain categories only?

ACKNOWLEDGE ADDENDUM WITH SUBMITTED PROPOSAL:

Addenda not signed and returned may consider the BID non-responsive and may be rejected.
