10. **Samples/Product Literature/Technical Specifications:** Please review the bid specifications carefully. If a sample is required, APS will contact the Bidder for delivery instructions.

- Regardless of instructions, APS reserves the right to request samples at any time during the evaluation process. The samples received will be used to determine quality, durability and compliance with specifications. All samples are to be of the same quality as those materials to be supplied by the successful bidder(s) upon bid award. They shall be free of charge and be submitted and removed by the bidder at their expense. Award samples may be held for comparison with deliveries. APS shall not be held responsible for any samples damaged or destroyed in examination or testing. Bidder will have five (5) working days after notification to supply the desired item(s). Samples not received within the five-day time period will disqualify the bidder as non-responsive. Samples not removed within ten (10) days after notice to the bidder will be regarded as abandoned and APS shall have the right to dispose them as its own property. Successful bidder(s) must provide catalogs, brochures, cross-reference sheets and/or related literature as needed by APS.
