RFP NO. 19-042RR
ADDENDUM #3

February 19, 2019

Please see following questions and answers regarding RFP:

**Question:**
Will the patch panels being installed be additional, or will they be replacing existing patch panels? If they are replacing existing, will vendor be responsible for exterminating and testing the existing cable that will be removed?

**Answer:**
Due to a contradiction between the RFP and Addendum #2. Please submit the spreadsheet as is, with all the costs attached; then if any panels are re-used, a deductive change order will be completed.

**ACKNOWLEDGE ADDENDUM WITH RFP:**

Addenda not signed and returned may consider the RFP non-responsive and may be rejected.
