**BID NO: 19-045DD Floor Covering and Installation Services****ADDENDUM #2 Questions and answers**

1. Item A Modular Carpet – Please confirm multiple carpet styles can be submitted (up to 3 product lines);

**Yes**

2. Would APS, in accordance with the leadership they display with their [Water and Energy Conservation Committee](#), as well as their LEED adoption take the inevitable step toward sustainability and energy resource management at a requirement of “carbon neutral” to the flooring specification?

**Offerors may propose items/services not specified in the list on the Specifications Exception Form provided in Addendum 1.**

3. APS has acknowledged in section 2.3 a, that a product must have recycled content as well as be recyclable. Would APS increase the total recycled content (post-industrial and post-consumer combined) to be 65% or above?

**Offerors may propose items/services not specified in the list on the Specifications Exception Form provided in Addendum 1.**

4. Will APS amend the “pricing for installation” page to include a line item for the following:  
Cost of carpet tile removal (prep for recycling);

**This item would be under Floor preparation, carpet**

5. Is APS going to require an acoustically superior LVT, for example a “57 IIC rating requirement”?

**Offerors may propose items/services not specified in the list on the Specifications Exception Form provided in Addendum 1.**

6. Similar to the modular carpet specification in 2.5 Closed Loop Recycling, will APS require the No Wax LVT be 100% recyclable back into flooring and carbon neutral?

**Offerors may propose items/services not specified in the list on the Specifications Exception Form provided in Addendum 1.**

7. Does APS require the LVT be “transition strip free” by having the equivalent minimum total thickness of 4.5mm, the same as the modular carpet specification?

**Offerors may propose items/services not specified in the list on the Specifications Exception Form provided in Addendum 1.**

8. Will APS amend the “pricing for installation” page to include a line item for the following:
- a. Cost of LVT removal (prep for recycling)

**This item would be under Floor preparation, LVT**

9. Could you please modify Item C.2 Modular Carpet Adhesives for carpet tiles installed on slopes and stairs to include XL 2000 Brand?

**Yes. Named brand is used for purpose of describing the standards of quality, performance and characteristics desired and other “equal” products will be considered.**

10. Would APS add rubber stair treads as an option?

**Offerors may propose items/services not specified in the list on the Specifications Exception Form provided in Addendum 1.**

11. If we are bidding the installation only of the package, are also required to bid the products, per addendum #1 on pages 7-15?

**Please submit all pricing pages from the addendum in your response to the RFP. If you do not wish to submit for the items and only are interested in the installation, please document on your response “NO BID” so we can evaluate those for installation only**

12. Under which section would we provide the pricing for LVT?

**Yes. Please submit pricing for LVT below**
