"Contractor" shall mean successful supplier.

"Determination" shall mean the written documentation of a decision of a procurement manager including findings of fact required to support a decision. A determination becomes part of the procurement file to which it pertains.

"Desirable" the terms "may", "can", "should", or "prefers" identify a desirable or discretionary item or factor.

"District" shall mean Albuquerque Public Schools

"Mandatory" the terms "must", "shall", "will", "is required", or "are required", identify a mandatory item or factor. Failure to meet a mandatory item or factor will result in the rejection of the bid.

"Responsible Bidder" shall mean a bidder who submits a responsive bid and who has furnished, when required, information and data to prove that its financial resources, production or service facilities, personnel, service reputation and experience are adequate to make satisfactory delivery of the services or items of tangible personal property described in the bid.

"Responsive Bid" shall mean a bid, which conforms in all material respects to the requirements set forth in the bid.

14. Any exceptions to the scope of work and/or specifications shall be listed separately in the submitted bid and unless otherwise stated, specifications attached are the minimum requirements.
15. The District reserves the right in its sole discretion to waive minor informalities in bids submitted provided that such informalities have no effect on price, quality, quantity, fitness, delivery or any matter to be evaluated in making a selection and confer no material advantage on the Bidder whose non conformity is waived.
16. This bid may be canceled or may be rejected in whole or in part when it is in the best interest of Albuquerque Public Schools.
17. Any sole response that is received may be rejected by the District depending on available competition and timely needs of the District.
18. The District reserves the right to award the contract to the responsible bidder(s) submitting a responsive bid with resulting agreements that are most advantageous and in the best interest of the District. The District reserves the right to award contracts to multiple Bidders to meet the needs of the District.
19. All costs incurred by a Bidder in connection with responding to this Bid, the selection process undertaken in connection with this procurement, and any negotiations with the District will be borne by the Bidder.
20. This procurement in no manner obligates Albuquerque Public Schools until a valid signed pricing agreement or valid Purchase Order is executed.
21. The bid will be awarded to the responsible and responsive Bidder(s) that offers the deepest discount off manufacturers suggested price list. Albuquerque Public Schools reserves the right to the sole judge to determine what is in the best interest of the District.
22. The District reserves the right to eliminate any Bidder who submits incomplete or inadequate responses or is not responsive to the requirements of this Bid.
23. The contents of the bid will be available to the public at bid opening. The Procurement Department will not disclose or make public any pages of a bid on which the Bidder has stamped or imprinted "proprietary" or "confidential" subject to the following requirements.
24. Proprietary or confidential data shall be readily separable from the bid in order to facilitate eventual public inspection of the non-confidential portion of the offer. Confidential data is normally restricted to confidential financial information concerning the Bidder's organization and data that qualifies as trade secret in accordance with the Uniform Trade Secrets Act, 57-3A-1 to 57-3A-7 NMSA 1978. The price of products offered or the cost of services

proposed shall not be designated as proprietary or confidential information.

25. Where a brand-name or equal specification is used in a solicitation, the use of a brand name is for the purpose of describing the standard of quality, performance and characteristics desired and is not intended to limit or restrict competition. If a vendor proposes an "equal" to scope of work/specifications, APS is the sole interpreter of the scope of work/specifications and sole judge as to whether the "equal" proposed complies with the scope of work/specifications.
26. APS will not select from multiple offers on a single document. If bidder offers more than one brand/price per item, the (1) as specified or the (2) most expensive will be considered as the primary bid. Other offers will not be evaluated unless the primary bid is a low bid in its own right. If you wish to offer an alternate bid in addition to your regular bid, make extra copies of the necessary pages (including the signature pages) and submit as "Bid #2". Each bid must stand alone and comply with the terms and conditions of the contract. Bidders offering other than specified goods must submit illustrated literature and complete product data with complete citation and reference to each component part of each item for evaluation purposes.
27. The bid price shall be a delivered price. All materials shall be shipped F.O.B Destination Freight prepaid as specified in the Invitation to Bid. The bid price shall be valid for 60 days after opening.
28. APS reserves the right to negotiate pricing with successful bidder(s) for equipment/parts/materials related to this contract but which are not specifically included herein.
29. In the event APS receives comparable pricing structures and list prices in the same categories, then APS may choose to (1) award to the vendor who submits the more comprehensive price list or (2) make multiple awards in that category.
30. Albuquerque Public Schools reserves the right to award by item, group of items, or total bids; to reject any and all bids in whole or in part, if it is in the best interest of Albuquerque Public Schools. Additionally, the District reserves the right to reject any or all bids for any reason that the District determines prudent. Such rejection shall not result in any penalty to the District, but shall be deemed a cost of doing business by the Bidder.
31. The District reserves the right to increase or decrease the quantity of any item called for, add additional related items as the District deems necessary or to eliminate any item entirely.
32. It is mutually understood and agreed that the successful bidder(s) shall not assign, transfer, convey, sublet or otherwise dispose of the purchase order, contract, or his/her right, title of interest therein, or power to execute such purchase order or contract to any other person, company or corporation without the previous written consent of APS.
33. If this bid results in a non-exclusive discount pricing agreement, more than one award may be made. No commitment is made by the District as to quantity and frequency of purchase. Albuquerque Public Schools reserves the right to purchase items referenced under this agreement using any other method and from any other vendor as deemed necessary and in the best interest of the District.
34. Any resulting purchases under the bid will be made by Albuquerque Public Schools purchase order or procurement card. Quotes provided to Albuquerque Public Schools will be quoted as provided on the Invitation to Bid and will reference the Price Agreement number so verification of pricing can be made.

## TECHNICAL SPECIFICATIONS

1. **Intent:** APS invites you to bid on an indefinite quantity contract for the purchase of Furniture to be supplied as needed. Specifications and requirements to follow.
2. **Purchase Orders and Invoicing Procedures:** Upon award, APS will issue a pricing agreement which will be in effect for the duration of the contract and which will accommodate multiple billings as work is completed. Itemized invoices, clearly referencing appropriate pricing agreement number and bid number shall be submitted to APS Accounts Payable Department, PO Box 25704, Albuquerque, NM, 87106. Copies of delivery tickets, signed by the receiving employees, and other information needed to substantiate charges shall be attached to the invoice for auditor tracking purposes. Contractor's invoicing must be easily verifiable and traceable to the contract. Product numbers, brands, models, etc. must be clearly defined. Contractor must also be prepared to furnish copies of price lists to the users as necessary. Invoices must include pricing structure as defined in the contract (list price and discount).

As a minimum, the following information must appear on all Delivery Tickets and Invoices:

- a. Price Agreement Number
  - b. Purchase Order Number
  - c. Location Number
  - d. Recipient's Signature
  - e. Recipient's APS Employee Number
3. **Scope of Work:** Products purchased as a result of this request for bid will furnish the District with furniture to be ordered as needed. The furniture will be ordered for individual schools as well as schools that are undergoing construction. Construction projects will require scheduled deliveries that must be coordinated through the District's Facilities Planning and Construction Department. Individual schools and administrative sites will be responsible for coordinating their own delivery schedules. Orders will range from small simple orders shipped directly to the school and or administrative site, or larger complex orders that will require a coordinated effort for delivery and or installation. APS is not limited to the furniture categories represented in attachment A submittal response form. Please include full product lines that represent each manufacturer. APS reserves the right to add products within each category or add additional categories not listed in the response form. APS also reserves the right to add new products as they become available.
  4. **Pricing:** Bid price must be specified as a percentage off the manufacturer's suggested retail price list/catalog. Discounts will be applied to the price list/catalog price of most recent issue submitted and on file in the Procurement office. "Price List" is defined as that which is regularly maintained by the manufacturer and is published or otherwise available for inspection by a customer. List prices must be standard in the trade and in common use for either the vendor's general clientele or comparable government accounts. *Prices artificially derived for APS will not be acceptable.* Price list(s) will be allowed to change as may be standard in the industry but the discounts will remain firm. Consider multiple deliveries as well as broad geographical distance in your pricing structure.
  5. **Price List Changes:** All requests for price changes must be submitted in writing and approved by the Procurement Division within thirty (30) days of such notice. Any changes not approved by the Procurement Division will not be honored. Product on backorder will be honored at the PO price and will not be affected by any price increases. The new manufacturer's list(s) must be furnished with such request. In an effort to keep up to date on the latest products, sales, discounts, specials, Contractor(s) should update their product for the purpose of introduction of new or replacement furniture. Contractor may request permission to add new products and services to an awarded contract, provided such products and services are within the scope of work as defined within this RFB.

Such amended pricing must be mutually agreed upon by APS and the contractor and will generally be in agreement with the original pricing structure.

6. **Instructions for Bid Submittal Response:** Include the dealer name, list price, discounted price, total price and discount percentage. If additional sheets are required, please copy as to use the same format. It is not required that you respond to each category and it is acceptable to bid only for the manufacturer(s) that you represent. **Bid response must include:** two (2) complete paper copies of the bid. One must contain original signatures and be clearly labeled "Original." Include one (1) electronic copy of the complete bid submission, including Attachment A – excel pricing structure. Include one (1) electronic copy of current price list/catalog from which discount applies. Failure to do so may result in bid being deemed non-responsive. Electronic copies must be clearly labeled with Bid number and Bidder name. New price list(s) must be supplied to APS as they become available and will go into effect when accepted by the Procurement Officer.
7. **Delivery and Installation:** Deliveries and installations must be completed within forty-five (45) calendar days after receipt of the purchase order. All deliveries must be scheduled with the end user and contractor with mutually agreed upon dates and times. Failure to meet the quoted times may result in cancellation of contract and an alternate bidder will be assigned at the discretion of APS. All packages, cartons or other containers must be clearly marked with ship to address, packing slip listing contents, and the number of boxes on the shipment and a valid purchase order number.

Shipments without a packing list and valid PO number will be refused and returned to the vendor at their expense. Delivery confirmations will be the vendor's responsibility to confirm such dates with the APS ordering department. Projects under construction may experience delays and require a change in delivery dates. Product shipped before the building is ready must be stored by the vendor until such time it can be accepted at the delivery site. The following definitions are to be used when computing discounts for Attachment A:

- "Delivered Non-installed only" means F.O.B. destination as defined in shipping terms.
- "Inside Delivery" means F.O.B. Destination, inside delivery, unpacking, full assembly, ready-to-use, placement in rooms designated by recipient, premises left broom clean, and packaging disposed of by the successful Contractor.
- "Delivered Installed" means unpacking, full assembly, ready-to-use, installed in rooms designated by recipient, premises left broom clean, and packaging disposed of by the successful Contractor. Including but not limited to any installation required for fastening to the floor, wall, ceiling, and component parts for systems furniture.

8. **Basis of Award:** Award(s) will be based upon deepest discount/best bid pricing for comparable list/product or group of products. Delivery, comprehensiveness, and currency of price list(s), and the best interest of the District, unusually high minimum orders may be factors in bid.

If a particular item is determined to be "not standard in the industry" by at least half of the Bidders, then that item will be deleted from the bid for evaluation purposes. Please note that APS does not guarantee any dollar amount or volume of business as a result of contract award. Once awarded, any contract issued as a result of this solicitation will be the final expression of the agreement between the parties and may not be altered, changed or amended except in writing. The contract between APS and the successful Bidder shall be deemed to contain the terms and conditions of this request for bid, unless expressly stated otherwise in writing.

## CAMPAIGN CONTRIBUTION DISCLOSURE FORM

Pursuant to the Procurement Code, Sections 13-1-28, et seq., NMSA 1978 and NMSA 1978, § 13-1-191.1 (2006), as amended by Laws of 2007, Chapter 234, any prospective contractor seeking to enter into a contract with any state agency or local public body **for professional services, a design and build project delivery system, or the design and installation of measures the primary purpose of which is to conserve natural resources** must file this form with that state agency or local public body. This form must be filed even if the contract qualifies as a small purchase or a sole source contract. The prospective contractor must disclose whether they, a family member or a representative of the prospective contractor has made a campaign contribution to an applicable public official of the state or a local public body during the two years prior to the date on which the contractor submits a proposal or, in the case of a sole source or small purchase contract, the two years prior to the date the contractor signs the contract, if the aggregate total of contributions given by the prospective contractor, a family member or a representative of the prospective contractor to the public official exceeds two hundred and fifty dollars (\$250) over the two year period.

Furthermore, the state agency or local public body may cancel a solicitation or proposed award for a proposed contract pursuant to Section 13-1-181 NMSA 1978 or a contract that is executed may be ratified or terminated pursuant to Section 13-1-182 NMSA 1978 of the Procurement Code if: 1) a prospective contractor, a family member of the prospective contractor, or a representative of the prospective contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process or 2) a prospective contractor fails to submit a fully completed disclosure statement pursuant to the law.

The state agency or local public body that procures the services or items of tangible personal property shall indicate on the form the name or names of every applicable public official, if any, for which disclosure is required by a prospective contractor.

THIS FORM MUST BE INCLUDED IN THE REQUEST FOR PROPOSALS AND MUST BE FILED BY ANY PROSPECTIVE CONTRACTOR WHETHER OR NOT THEY, THEIR FAMILY MEMBER, OR THEIR REPRESENTATIVE HAS MADE ANY CONTRIBUTIONS SUBJECT TO DISCLOSURE.

The following definitions apply:

**"Applicable public official"** means a person elected to an office or a person appointed to complete a term of an elected office, who has the authority to award or influence the award of the contract for which the prospective contractor is submitting a competitive sealed proposal or who has the authority to negotiate a sole source or small purchase contract that may be awarded without submission of a sealed competitive proposal.

**"Campaign Contribution"** means a gift, subscription, loan, advance or deposit of money or other thing of value, including the estimated value of an in-kind contribution, that is made to or received by an applicable public official or any person authorized to raise, collect or expend contributions on that official's behalf for the purpose of electing the official to statewide or local office. "Campaign Contribution" includes the payment of a debt incurred in an election campaign, but does not include the value of services provided without compensation or unreimbursed travel or other personal expenses of individuals who volunteer a portion or all of their time on behalf of a candidate or political committee, nor does it include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee.

**"Family member"** means spouse, father, mother, child, father-in-law, mother-in-law, daughter-in-law or son-in-law of (a) a prospective contractor, if the prospective contractor is a natural person; or (b) an owner of a prospective contractor.

**"Pendency of the procurement process"** means the time period commencing with the public notice of the request for proposals and ending with the award of the contract or the cancellation of the request for proposals.

**"Prospective contractor"** means a person or business that is subject to the competitive sealed proposal process set forth in the Procurement Code or is not required to submit a competitive sealed proposal because that person or business qualifies for a sole source or a small purchase contract.

**"Representative of a prospective contractor"** means an officer or director of a corporation, a member or manager of a limited liability corporation, a partner of a partnership or a trustee of a trust of the prospective contractor.
