**RFP # 26-001 RRR
TITLE: GENERAL LANDSCAPING ON CALL
ADDENDUM #1**

ACKNOWLEDGE ADDENDUM WITH RFP SUBMITTAL:

Question 1: The APS Directive identifies 3 (three) approved manufactures for Turf. Is there another step we need to take to be an approved manufacturer? Should we fill out the RFP or do we need to get approved first?

Response: The New Mexico Procurement Code, prioritized fair and equal treatment for all interested parties. The RFP allows for equivalent substitutions (or equal); the burden of proof for equivalence rests with the offeror proposing the substitute product. The offeror must provide products information and specification the meets or exceeds the specifications at the time of submittal.

Question 2: Our company is interested in submitting for specific sections of the RFP only. Is this allowable.

Response: As stated in the RFP Section: Titled: SCOPE OF WORK. APS is looking for interesting qualified vendors to provide various landscaping requirements. The selection committee will be recommending vendors that are able to perform all the requirements. If subcontractors are to be used, the interested vendor must fill out the "subcontractor listing form" identifying all companies that will be performing various Scope of Work requirements.

OTHER REQUIREMENTS:

ALL INTERESTED VENDORS MUST FILL IN ALL LABOR RATES ITEMS 1a-5b, AS STATED on page 30 of the RFP.

ALL INTERESTED VENDORS MUST FILL IN ALL PRICING FORM ITEMS 1-128 AS STATED on pages 32-40.

Addendums not signed and returned may cause RFP to be non-responsive, and maybe rejected.
