RFP NO. 19-024 RA
Insurance Brokerage Services and Consulting

ADDENDUM #1

Question and Answers

1. What is the current annual fee being paid to the current broker? \$105,000.00
2. Is the current broker allowed to collect commissions in addition to any fees paid? No
3. Does the current broker provide risk management services or are these services provided by the insurance carriers? Current broker provides risk Management (loss prevention) services when requested by APS. Broker provides up to 100 hours at no charge. Carriers do not provide any services.
4. Please provide the names of the carriers providing the coverage's show on page 11 of the bid specifications. Please see attached
5. Provide the current SIR/Deductible for each line of coverage. Please see attached.
6. Please provide currently valued, insurance company issued and TPA, loss runs for the current year and the last 4 years. This is needed for our analysis on the services we need to provide for areas of concern for any loss tendencies and/or frequencies. Loss runs, will be provided to the successful offeror. Your methodology could include that you utilize loss runs to do an analysis on the services that you provide for areas of concern for loss tendencies and/or frequencies, however that analysis is not part of this RFP.
7. Please provide premiums paid for each line of coverage on page 11 of the bid specifications for the current policy term of 12/31/2017-18. Please see attached.

Clarifications

- Please advise the current insurance producer for the school district
- Please identify the current insurance carriers currently at risk for the coverages already in place

The current broker is Poms and Associates. Please find attached the list of carriers and coverages as requested.
