RFP NO. 19-059-RA - ADDENDUM #1

Extension of RFP Due Date and Time: 5/30/2019 at 3:00 pm (local time)

Question and Answers:

Regards RFP#19-059-RA requirements, the Pricing sub-section of the Evaluation Criteria on Page 17 indicates: "Submit detailed information stating your company's pricing to provide services as requested in the Scope of Work".

I do not see any guidance as to pricing within the Scope of Work. Therefore, I have a few questions;

- Is there a budget maximum? Please submit you best offer; No budget maximum at this time.
- Should costs be projected for a single year, three years, or five years?
Costs should be projected for three years
- Is there a pricing form, or format, we should use to put our pricing proposal into?
No pricing form; please detail each service and corresponding hourly rate with a total.

Note: FAILURE to adequately address and meet the above requirements may be cause for the proposal to be deemed non-responsive by the Buyer.

ACKNOWLEDGE ADDENDUM WITH SUBMITTED PROPOSAL:

Addenda not signed and returned may consider the RFP non-responsive and may be rejected.
