**McKinley MS Design Professional Services**

**RFP Submittal Deadline: September 20, 2012 @ 11:00 a.m. local time  
APS Procurement Off-Site Procurement Office  
915 Locust, St., Second Floor  
Albuquerque, NM 87106**

September 17, 2012

Please note the following changes to the referenced procurement document:

- Page 17, Evaluation Criteria Section A, Item #3 – the Points for Past Record of Performance is changed to 30.
- Page 17, Evaluation Criteria Section A, Item #7 – the Points for Evidence of Understanding of Scope of Work is changed to 10.

The following is a list of questions received and APS response:

**Question:**

It was mentioned during the pre-proposal meeting that the scope of work may not be that included in the RFP documents, i.e. 12 classroom comprising of 10 special program classrooms.... Instead the majority of classrooms in the new addition is anticipated to be regular grade level classrooms with only two special program classrooms. Also There is a possibility of moving the administration in the new addition as one of the program components. Can you please provide clarification on the project scope under this RFP since it will significantly impact how we respond to the evaluation criteria.

**APS Response:**

The exact project scope has not been finalized; the decision about the type and numbers of classrooms required will be determined during the programming phase and based on demographic data and other District criteria. The exact location of classroom block has not been determined

**Question:**

Since the focus of the project scope may shift from largely a special program classroom to more general classrooms with administration component, I respectfully request a time extension of one week to allow us to appropriately address the revised scope and to address the Section 7 of the evaluation criteria.

**APS Response:**

Due to the clarification listed on the first question it is our position that an extension of the submittal deadline is not necessary.

**NOTE:** Your acknowledgement of this Addendum #1 and #2 should be provided with your response.

Thank you for your interest in Albuquerque Public Schools.
